## Hunter Comprehensive Plan

312	Village of Hunter looks desolate - no restaurants, shops to speak of except for the Hunter Foundation offerings	10/19/2017 4:01 PM
313	Abandoned buildings	10/19/2017 3:39 PM
314	Lack of strong zoning and occupancy controls allows predatory mafia's like the Hasidic's to exploit the town using their systematic unfair and less than above board competitive advantages (tax free religious shell organization, gaming social welfare systems to support fraudulent for-profit vacation rental ventures, septic plants to subvert existing planning laws ) to advance their long term strategies for their insular mono culture community. The systemic approach is designed to destroy the real market and communities for established owners so they can buy them up cheap. This may force me to sell and or abandon the town. This is the single biggest threat to the town as demonstrated by what they have done in other upstate NY towns.	10/19/2017 2:55 PM
315	Lack of Infrastructure - including roads, WiFi, transportation	10/19/2017 12:13 PM

#	18. OTHER ISSUES (PLEASE LIST)	DATE
1	#14 I do not feel that there is a lack of year round attractions given the natural beauty and landscape of the area. At least not in terms of outdoor activities. But I do think there is a lack of growth.	11/24/2017 4:25 PM
2	Better signage to request people to wear reflective gear when walking at night.	11/21/2017 1:01 PM
3	lack of medical facilities	11/19/2017 10:14 PM
4	Pollution of waterways Campers at Cogate Lake camping less than 150ft from bodies of water. Dogs off lead at Colgate Lake and not under voice command	11/19/2017 1:19 PM
5	Police targeting visitors. Creates an unwelcome atmosphere.	11/19/2017 10:55 AM
6	Lack of help and attention given to those who are elderly, disabled or live alone.	11/18/2017 10:29 PM
7	we have a 4% unemployment rate currently, we need more affordable employee housing to recruit employee from out of the area.	11/18/2017 1:29 PM
8	lack of plan to remove invasives. protect natural resources. lack of sustainable measures with increased growth and pressure on infrastructure	11/18/2017 10:31 AM
9	Platte clove area land usage and high density expansion.	11/17/2017 10:52 PM
10	Lack of public transportation on the mountain top. Lack of full time jobs.	11/16/2017 1:00 PM
11	to many buildings in disrepair, take down and bill owners	11/16/2017 10:02 AM
12	This committee is focused on too many random issues, while the real concern should be to focus on working with the largest business in the area to develop a health economy and community.	11/16/2017 9:04 AM

## Hunter Comprehensive Plan

13	Now that you mention Kaaterskill Yeah disaster waiting to happen. At least in summer should attempt test as one way alternate hours or AM / PM. Wouldn't hurt to coord road redevelopment with adjacent co / towns to provide better alt access, is take some of more distressing turns out of hump over to Windham or 214 out of Phoenicia. Address high speed traffic with automatic cameras for speeding even computerized IN / OUT to time speed of travel over long stretches of limited access sections of 23 A, 214 etc. This would provide income to town AND enhance rural environment reducing noise and danger of high speed traffic - which is THE ONLY selling point for the mountain top. (might boost volunteers for fire / rescue as such must be exempt from speeding regs)	11/16/2017 1:40 AM
14	lack of small clean industry which would provide regular jobs with benefits etc.	11/15/2017 4:40 PM
15	Neighbor homes renting on air b n b against covenants of deed of Colonels Chair, noise, garbage, traffic, rude loud guest disturb residential peace	11/15/2017 1:55 PM
16	Mt. Road needs to be redesigned Business developed in Village of Hunter	11/15/2017 12:12 PM
17	Deforestation and development has led to serious flooding at my house and others throughout the area. Perhaps a strategic reforestation initiative could help with this.	11/15/2017 7:11 AM
18	Occupancy limits in residences	11/15/2017 2:45 AM
19	Too many law enforcement agencies all the time, who borderline harass residents, scare away visitors and killed businesses in town. There needs to be a balance.	11/14/2017 11:23 PM
20	Vehicles that cannot navigate curves on the mountain road without crossing the center line should be prohibited.	11/14/2017 7:37 PM
21	Comments on a few of the above items. 1) As to 5, there are employment opportunities but there are those who choose not to partake in same. 2) As to 6, there are multiple 'affordable housing options. 3) As to 8, the way in which many aspects of this Comprehensive Plan have been handled e.g., excluding the Village of Hunter from having a seat on the Committee highlights the lack of coordination/communication and in this case it appears to have been done with intention. 4) As to 9, law enforcement in the area, seems to disregard persons improperly operating vehicles whether they are speeding through the Villages, running stop signs or driving under the influence. 5) As to 11 & 17, see comments above. 6) As to 12, there needs to be transportation, as there is in the Mount Snow area on the Mountain Top. 7) As to 13, go out an take a hike- we are here to get out and enjoy nature not sit at home on computers.	11/14/2017 6:05 PM
22	Would like to see a community center.	11/14/2017 2:58 PM
23	Remembering to acknowledge what has been accomplished - building improvements, more people discovering the Town (thus driving the concerns), amazing private and not for profits orgs providing programming (MTHS)	11/14/2017 9:54 AM
24	Business opportunities come with attracting entrepreneurs who desire a rural/wilderness lifestyle. Therefore, it is not the lack of opportunity, but the lack of attracting people in the innovation and knowledge based sectors to the area, that is the issue.	11/14/2017 2:33 AM
25	Police presence particularly State Troopers. Too much.	11/13/2017 10:03 PM
26	The whole Kaaterskill Falls issue was brought about by too much PR and advertising. Sometimes you get my you ask for. PeAk Resorts will infuse a lot more money into the are than the Slutzkys would have, but they are spread thin with shorter winters in many of their markets.	11/13/2017 9:55 PM
27	Provide parking , use passing lane area , cover Colvert crossing with grill and remove guardrail to provide parking, sell parking permits on mountain road instead of giving tickets and towing cars, welcome visitors	11/13/2017 9:30 PM
28	Better infrastructure and parking to handle outdoor rec at trail heads.	11/13/2017 9:04 PM
29	People buying property for religious use and not contributing in taxes.	11/13/2017 8:51 PM
30	referring to #17 - Im a big winter user and the lots along rt 23A around KF should be increased somehow - and the Dog Hole lot needs to be opened back up for winter usage.	11/13/2017 7:25 PM
31	Lack of foot paths and mountain bike trails Land rich and access POOR	11/13/2017 6:59 PM
32	Quality of schools keeps us from moving as a young family of 4.	11/13/2017 6:34 PM
33	the lack of supervision around the falls on the trails and the road	11/12/2017 5:54 PM

## Hunter Comprehensive Plan

34	I think you can run a shuttle to the falls hiking area Lack of public shuttle to run from hunter to tannersville	11/12/2017 8:17 AM
35	Vacant property	11/10/2017 7:02 PM
36	Tax base loss through exemptions	11/10/2017 6:02 PM
37	Lack of a hospital	11/8/2017 7:46 PM
38	Falls area should allow parking along ONE side of the road. Not enough access to falls area.	11/6/2017 2:59 PM
39	The unfair practices of the building inspector who singles out whom he wants to write violations to, also the way the current board is handling issues, where those issues are spoken about and lack of professionalism and confidentiality	11/6/2017 11:19 AM
40	Lack of signage explaining the risk of fatality on trail off Platte Clove Rd. There should be a plaque with a list of all people who lose their lives there and on Kaaterskill Falls	11/6/2017 7:57 AM
41	Lack of good-paying jobs for college-educated youth;so many of our youth don't return here after college because there is more opportunity elsewhere.	11/5/2017 7:28 PM
42	Too late now but didn't need a Dollar General. That is going in the wrong direction.	11/4/2017 8:31 PM
43	In the long term, standard of living can decrease with increased population and tourism. -Zoning could be useful in protecting the character of the town as long as its not overly restrictive to residents.	11/4/2017 5:42 PM
44	lack of community interest	11/4/2017 9:52 AM
45	expand hunter foundation to the village of hunter	11/4/2017 9:15 AM
46	Lack of progressive school, supporting the arts and education of unique offerings currently at hand. Lack of cross County communication to draw more diverse people from the arts and sciences, unifying the catchment of the Catskill Park and its people that choose to live here full time or have 2nd homes. Lack of total acknowledgement of the uniqueness of having a protected environment, for economic development and not being destroyed by short term gains.	11/3/2017 8:13 PM
47	Weight of part-time resident opinions	10/31/2017 8:50 PM
48	Because the local residents are often poor and angry, they often feel the non-resident owners are to be taken advantage of. This has been promoted by the wealthier locals to keep pressure off themselves. Hunter's politicians have also been weak and self-interested. It is a badly run town.	10/31/2017 8:19 PM
49	Taxes way too high For people with no children in school	10/31/2017 7:58 PM
50	14. I believe we have year-round attractions, we may need to capitalize on them.	10/31/2017 7:44 PM
51	Religious community that does not support the local economy	10/31/2017 4:08 PM
52	picking and choosing when to enforce laws - giving "locals" special treatment	10/31/2017 1:55 PM
53	Housing Housing Housing for young seasonal help.	10/31/2017 9:36 AM
54	Should be more things for people with babies or young children	10/31/2017 12:46 AM
55	Town needs to be an open book and not a vindictive board with personal agendas. The only place that brings tourism to the Town besides Hunter Mountain is Tannersville. The Town Police, building inspectors, assessors and code enforcement officers need to uphold the local laws and not use selective enforcement because a friend or family member may be involved. The voter registration rolls need to be cleaned up. Get the dead people off them and the people who lie about their residency. Crooked politics is making the Town a laughing stock.	10/30/2017 3:26 PM
56	My family has owned property in the Platte Clove Neighborhood for 45+ years. I take issue with proposals for high density housing in these areas that would adversely effect the area. Put high density near the town centers if it's a must, not off the beaten path where we've purposely placed ourselves.	10/30/2017 3:04 PM
57	Need public pool!	10/30/2017 2:40 PM
58	#17 is a significant one! That certainly needs to be addressed.	10/30/2017 12:52 PM
59	Lack of qualified, drug-free, ambitious workers.	10/30/2017 11:56 AM

## Hunter Comprehensive Plan

60	Lack of enforcement of local laws is a poorly worded, vague question and your survey data result will be misleading as a result. Clearly communicated & responsibly enforced local laws would be an issue requiring focus. Also, why do part time resident land owners (& significant school tax payers) have no access to school services (eg., drivers ed or other tutorial classes)?	10/29/2017 6:57 PM
61	Peak Resorts, Hunter Mountain, not working with the community and developing a ski town lift	10/29/2017 4:23 AM
62	Religious sects not paying taxes and running for profit businesses under fraudulent religious pretenses that are using public services and detrimental to existing residents tax payers property value.	10/27/2017 12:42 PM
63	The above list is quite comprehensive	10/25/2017 10:52 AM
64	Houses on the side of main street near the mountain are an eye-sore. If the town could purchase up the homes on the creek side of the road and turn the land into a park, it would be a large improvement. And, the homes on the other side are in disrepair and are a problem too. Would be nice to zone that area commercial and allow for development of business, hotels, condos. More recreational facilities such as tennis courts other than the two behind the school would be nice. In addition, if Hunter Mtn could develop an 18 hole championship golf course that might help bring in people during the spring, summer and fall.	10/25/2017 7:36 AM
65	Planned overdevelopment along Route 16	10/24/2017 6:20 PM
66	littering and enforcement of visitors leaving garbage and ruining our beautiful mountains. everyone wants to say they agree, but nothing is done	10/24/2017 11:50 AM
67	lack of interest in private communities services and DEP violations i.e. Hunter Heights	10/23/2017 10:13 PM
68	Lack of real town to attract tourism. Town should be located before ski mtn with side streets to walk	10/23/2017 2:32 PM
69	overzealous police presence	10/23/2017 12:18 PM
70	I indicated that laws appear to be in place because I am pulled over or fear it every weekend. Not sure what other laws are applicable.	10/23/2017 11:54 AM
71	The underground rental economy (Air B&B) has destroyed the Hotel,Motel Business and reduces the available homes for families to live thus reducing the number of students in our schools.	10/23/2017 11:03 AM
72	we need to create a real new dynamic - it is like a company that does not do well, a disruption approach is needed.	10/23/2017 10:54 AM
73	to much police presence, school taxes way to high lack of a town transportation system	10/23/2017 10:47 AM
74	Haines Falls has become an unappealing eyesore. It was once --years ago--an attractive and quaint town. It is the first thing people see when coming into town.It turns people off immediately. We know this first hand from several folks who we have tried to get here and they opt for New England instead (which is more of a drive)	10/23/2017 10:44 AM
75	The police ticket people who spend money who get a bad feeling about our area and never come back	10/23/2017 10:38 AM
76	The Hunter Foundation has done so much to fix up the town of Tannersville but why is the town of Hunter left in such a state of disrepair? Also, those plastic flowers that are hanging from the lampposts are hideous. If we expect to attract people to invest in homes in our community it needs to look like a place people would actually want to live!	10/23/2017 10:36 AM
77	there are many jobs - but people do not want to work.	10/23/2017 10:32 AM
78	1. Lower taxes 2. Allow new businesses to open - Both in and just outside of town. Lack of a sewers is NOT a reason to deny a business from opening.	10/23/2017 9:05 AM
79	#17 happening on Platte Clove Road too. #16 ZONING will help address all other issues Need better medical facilities and access. Social services.	10/22/2017 10:42 AM
80	Town unfriendly to business/ restaurants opening outside of town. Limited parking in town of Hunter	10/22/2017 9:03 AM
81	County Route 16 Platte Clove parking	10/20/2017 5:48 PM
82	No Parking	10/20/2017 5:35 PM
83	Speed in Village of Hunter should be reduced and cross walks observed.	10/20/2017 4:06 PM

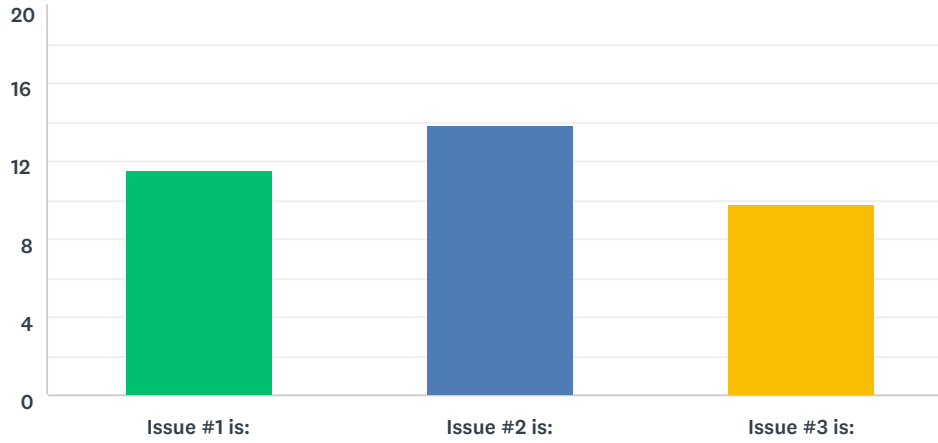

## Hunter Comprehensive Plan

84	the police are like the gestapo chasing clients and money away, , we have a wonder of the world haines falls and all they do is ticket people basically give us Your money now get out, no imagination of anyone running our town, our new mayor has done not a god damn thing	10/20/2017 3:58 PM
85	School taxes are out of control	10/20/2017 2:45 PM
86	The police continue to strangle the local economy. Every seat belt or license plate light bulb ticket is another bad experience for visitors.	10/20/2017 11:26 AM
87	the lack of business opportunity results from the swing of seasonal usage of the area, making investment risky	10/20/2017 11:15 AM
88	#16 Should read: Lack of enforcing existing zoning laws	10/20/2017 10:36 AM
89	We need to improve the image of the community and attract a larger share of tourism.	10/19/2017 4:37 PM
90	Hasidic High Density Development initiatives that are at odds with town and current residents goals....don't under estimate this....other NYS town have died because of it....they have Hundreds of thousand of people they need to relocated from Brooklyn because the property they own there has appreciated so much and they want to cash in on it by moving out the current residents. They are looking for cheap land to build high density structures to warehouse the people they relocate. Their financial system revolves around defrauding public welfare systems and fraudulent property tax free religious organizations in order to support their for profit high density rental apartment development. This is what Tashbar is....a for profit hotel!	10/19/2017 3:14 PM
91	Not enough restaraunts, especially in the Village of Hunter.	10/18/2017 11:04 PM
92	How does a town with a once thriving nightlife - rated one of the best in ski towns, plummet to nonexistent- overzealous cops. They Ruined the town. Windham is growing, Hunter is dying.	10/18/2017 7:49 PM
93	Hunter has no restaurants or stores. It looks awful!	10/16/2017 8:55 PM
94	Nick bove	10/16/2017 8:27 PM
95	Dont forget about platt clove mtn road. Its just as bad if not worse with all the traffic of drivers that donnot have the experience to be driving on roads like that.	10/16/2017 8:26 PM
96	Different laws for town of Hunter and village of Tannersville which " takes it easy" on villagers and put hardship on the rest of us	10/16/2017 8:07 PM
97	This was information I did not realize	10/16/2017 7:10 PM
98	Become business friendly	10/16/2017 3:57 PM
99	Youth fields. We travel to other communities for baseball and soccer. Also a certain amount of summer residents have given a bad reputation for our Community. They ignore laws and feel entitled. Walking down the middle of the streets. Onto others lawns. Parking on the street. Their businesses look dirty and if you address any issue with them they are rude.	10/16/2017 1:34 PM
100	Na	10/16/2017 11:43 AM

## Q12 Input from previous community meetings generated the following ideas that could improve conditions in Hunter. How supportive are you in having the Town pursue any of the following actions?

Answered: 349 Skipped: 40

	VERY SUPPORTIVE	SOMEWHAT SUPPORTIVE	NOT SUPPORTIVE	NO OPINION	TOTAL	WEIGHTED AVERAGE
1. Have better transportation around Town including creation of a better approach to visitor traffic at Kaaterskill Falls with, for example, shuttles to different areas in Town and between parking lots to eliminate Route 23A parking	60.81% 211	26.80% 93	7.78% 27	4.61% 16	347	2.44
2. Increase fines or start towing for illegally parked cars	43.64% 151	27.75% 96	22.54% 78	6.07% 21	346	2.09
3. Have better transportation to NY City	35.47% 122	36.34% 125	16.28% 56	11.92% 41	344	1.95
4. Make trail improvements	53.04% 183	38.84% 134	4.64% 16	3.48% 12	345	2.41

6. Develop more playgrounds, ballparks, tennis courts	35.36% 122	38.55% 133	19.42% 67	6.67% 23	345	2.03
7. Build a fitness center/recreation center	47.84% 166	28.82% 100	17.00% 59	6.34% 22	347	2.18
8. Develop a visitor's center	34.88% 120	43.02% 148	16.57% 57	5.52% 19	344	2.07
9. Promote and market the Town more to bring in businesses/economic opportunities that complement and enhance the Town of Hunter	70.43% 243	24.64% 85	4.35% 15	0.58% 2	345	2.65
10. Pursue more cell and internet services	60.06% 206	28.57% 98	7.29% 25	4.08% 14	343	2.45

## Hunter Comprehensive Plan

11. Provide more enforcement of local laws	31.58% 108	38.89% 133	17.54% 60	11.99% 41	342	1.90
12. Clean up abandoned and blighted buildings through tools such as having a property maintenance law or offering incentives	77.03% 265	20.06% 69	1.74% 6	1.16% 4	344	2.73
13. Develop a zoning law for Town	54.97% 188	28.65% 98	8.48% 29	7.89% 27	342	2.31
14. Consolidate township and Village services; eliminate redundancy and enhance coordination between municipalities	67.63% 234	23.41% 81	4.34% 15	4.62% 16	346	2.54
15. Promote better communication between all groups, agencies, organizations and residents for example through effective use of social media or by having a community calendar.	67.92% 235	26.59% 92	2.60% 9	2.89% 10	346	2.60
16. Develop more community meeting places and events such as picnics, fairs, and general activities	44.61% 153	39.94% 137	10.50% 36	4.96% 17	343	2.24

19. Work with a land trust to protect rural character	61.74% 213	24.35% 84	8.70% 30	5.22% 18	345	2.43
20. Promote affordable housing	35.57% 122	33.82% 116	21.87% 75	8.75% 30	343	1.96

#	21. OTHER (PLEASE LIST)	DATE
1	where appropriate create or expand more safe parking options at popular attractions and trail heads. I'm all for shuttles and buses but we live in an automobile dependent society and while some would take advantage of those services, I think many others wouldn't.	11/24/2017 4:46 PM
2	I am not sure what the question regarding "affordable housing" means here and a point above. There are houses for sale in the area for below \$100K with opportunities to renovate. I would envision that "promoting affordable housing" would mean renovating existing structures, not building new "affordable housing" structures.	11/20/2017 12:32 AM
3	Better signage for Platte Clove Rd regarding vehicle size restrictions.	11/19/2017 1:55 PM
4	More safe guards for the elderly, disabled and those who live alone.	11/18/2017 10:43 PM
5	Affordable housing - freeze taxes as is for those who turn existing bldgs to multi family Max use of youngsters and retirees to aid in tourism services / temp business activities in season Convince those with existing large facilities to host events Consolidate emergency services at x road 214 & 23A use \$ svgs to fund 3 shifts for a driver or two to respond equip ASAP to meet vol at scene	11/16/2017 2:01 AM
6	some of the above are generated from outside forces, example number 17	11/15/2017 4:48 PM
7	Limit transient rental population per bed in air b n b	11/15/2017 2:00 PM
8	More cable TV options in and out of town	11/14/2017 11:40 PM
9	I believe I commented on many of these issues already, as many are the same as in 10 above. As to 5, 6 & 7, the local schools have all these facilities and access to full time residents should be provided at certain hours, as is done in other areas especially, as we are paying for all of these facilities. As to 8, information on what is available in the area is already available at many locations.	11/14/2017 6:23 PM
10	Encourage hunter mtn expansion	11/14/2017 3:33 PM

## Hunter Comprehensive Plan

11	Support existing Visitor's Center (MTHS); investigate pros and cons of National landmark designation of Kaaterskill Clove	11/14/2017 10:22 AM
12	ADD MORE TRAILS!!! Add comprehensive trail plan....updated	11/13/2017 7:12 PM
13	Open a recycling area for green (garden) waste which is now dumped in the woods	11/13/2017 12:12 PM
14	Several local bus trollies with ability to carry skis on the outside of vehicle	11/6/2017 8:08 AM
15	Work with the new owners of Hunter Mtn to improve the character of the village of Hunter. There is a tremendous opportunity being lost for both the ski area and the town. By integrating the mountain and the Town we could create a a tourist destination unparalleled in the state of NY. Creating more business, jobs, and opportunities. I have ideas.	11/6/2017 7:00 AM
16	these are all tied together by lack of young people due to lack of jobs that pay decent wages. working part time at the resorts will NEVER accomplish this	11/4/2017 9:58 AM
17	We need something like a bowling alley or roller rink or other places for the young people to have fun and be safe.	11/4/2017 8:14 AM
18	Partner with NYC Museum or school for educational outreach programes year round.	11/3/2017 8:53 PM
19	More interaction between Town of Hunter and Village of Hunter	11/1/2017 1:37 PM
20	Lower taxes!!!!	10/31/2017 8:05 PM
21	All my issues were on the agenda	10/31/2017 7:55 PM
22	The Town o Hunter is a municipality itself is not very friendly and board is self serving. To promote the Town is to promote brand x paper. They don't do anything for their tax payers except plow the roads and pave them. They have no events. Everything is in the Village.	10/30/2017 3:36 PM
23	Promote Hunter as an affordable place to live with great work opportunities in hospitality	10/30/2017 12:01 PM
24	Hold public community meetings in a venue or at a time that high property tax paying part time residents can participate	10/29/2017 7:05 PM
25	Introduce happy, funny, unique. Life is about incentives	10/29/2017 2:38 PM
26	Re #8 - I thought we already have a Visitor's center in Haines Falls. Use or expand that.	10/27/2017 10:57 AM
27	Expand off-ski season rec options: fishing camps, kayak tours, bike tours, hiking tours, historic tours, festivals, wine tastings, etc	10/24/2017 4:15 PM
28	promote developement of places for our YOUTH	10/24/2017 11:56 AM
29	we already have an excellent visitors' center: MTHS	10/23/2017 11:08 PM
30	New Economic Development for Jobs(tele/internet based)	10/23/2017 9:05 PM
31	Get Air B&B rentals out of Residential Neighborhoods	10/23/2017 11:14 AM
32	Solicit volunteers-esp in the parks, where more people are interested in deeper levels of involvement- to promote tourism. One idea is to ask for volunteers to dress in period attire as Rip Van Winkle, Thomas Cole, Washington Irving,etc to work the parking lots and hand out lunch coupons or discount cards to get people into the town of Tannersville.	10/23/2017 11:02 AM
33	fix up the town to make it more visually appealing and get rid of the plastic flowers	10/23/2017 10:50 AM
34	Bring in outlet stores shopping a water park	10/23/2017 10:42 AM
35	Eliminate Country Fest and Mountain Jam	10/22/2017 10:43 AM
36	Create incentives for restaurants to open in town	10/22/2017 9:16 AM
37	let the ski area expand it is our # one attraccation	10/20/2017 4:05 PM
38	get rid of Village of Hunter government	10/20/2017 10:44 AM
39	stop the use of septic system based high density development	10/19/2017 3:29 PM
40	While your focus is the town of Hunter, consider sharing services and promoting the area with other Mountain Top towns.	10/19/2017 12:26 PM
41	Don't raise my taxes for any of the above	10/18/2017 7:58 PM

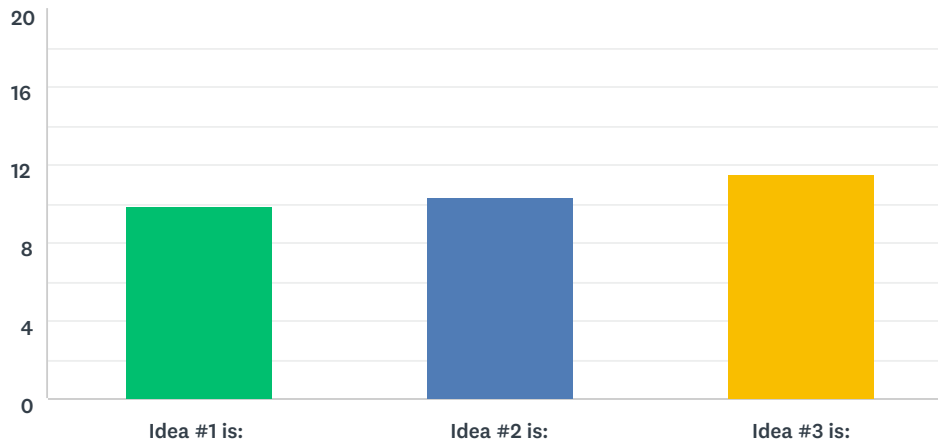

## Hunter Comprehensive Plan

42	Rethink trooper and town police over-zealous enforcement of speed limit infractions. Way too heavy handed. Flashing MPH signs would be a good start.	10/17/2017 12:23 PM
43	Stop nick bove	10/16/2017 8:31 PM
44	N/a	10/16/2017 11:47 AM

#	IT DEPENDS (PLEASE DESCRIBE)	DATE
1	What tax? Real Estate? Federal? State? Local? Not enough detail given in many of these questions.	11/21/2017 1:17 PM
2	as long as my taxes don't rise substantially	11/19/2017 10:28 PM
3	It would depend on the individual action	11/18/2017 10:43 PM
4	Only if it is found to legitimately enhance the growth opportunities for the community moving forward	11/18/2017 2:56 PM
5	on how much it translates to individual	11/18/2017 11:38 AM
6	take buildings down and tax owners, use our tax dollars more efficiently and don't add taxes	11/16/2017 10:35 AM
7	The priority actions identified should already be happening	11/16/2017 9:12 AM
8	If put to vote at a couple town meetings first and even better if from new income sources, such as traffic cams sending out speeding tickets, or if there was a Katterskill shuttle to parking lots, ticketing those who just park on road which would also encourage use of service / lots, oh and co locate parking lots w diners stores to encourage business activity	11/16/2017 2:01 AM
9	If the dollars are to be used for one study after another and no action then we would be adverse.	11/15/2017 4:48 PM
10	Town rebuild	11/15/2017 8:14 AM
11	Yes if taxes stay the same	11/15/2017 8:07 AM
12	Some things like addressing parking on the mountain road or providing shuttles are for the safety and well being of locals and tourist alike. Other like advertising may or may not pay off and could be risky use of funds that are needed to support the maintenance and infrastructure of our community.	11/15/2017 7:22 AM
13	None of them should require use of additional tax dollars- we already have law enforcement, and a town website	11/14/2017 6:23 PM
14	Yes, within reason. Go after state, federal, or county funding for 1 and 4; invest local taxes in zoning	11/14/2017 10:22 AM
15	There needs to be oversight and needs to be clarity about projected costs and actually spending.	11/13/2017 10:54 PM
16	My vote is yes, but I don't live there.	11/13/2017 7:31 PM
17	I would not support use of tax dollars if these programs will increase taxes.	11/13/2017 12:12 PM
18	First set zoning to define and limit community, then protect rural setting, then improve local resources.	11/10/2017 6:02 PM
19	How much of tax dollars?	11/6/2017 11:05 AM
20	It depends on how much the taxes will be affected.	11/5/2017 7:38 PM
21	I wouldn't support raising of taxes to cover these areas. Consolidate and use the additional money saved.	11/5/2017 12:34 PM
22	Not sure what is already in place or proposed	11/5/2017 11:17 AM
23	Some of the above can be done with laws and simply following the laws already in place. For example eliminating redundancy on 14 should save money not cost more. But if initially more money is needed to get things going then yes but results are needed.	11/4/2017 8:53 PM
24	Need to confirm how current taxes are used and / or misused	11/4/2017 2:26 PM
25	Things like shuttles should come with a charge to use so that it's not totally tax funded. There should be grants and such that are looked into to do some of the other things we need.	11/4/2017 8:14 AM
26	Outside funds - state and federal - should be sought to build/rebuild inadequate/non existent infrastructure	11/3/2017 9:12 PM

## Hunter Comprehensive Plan

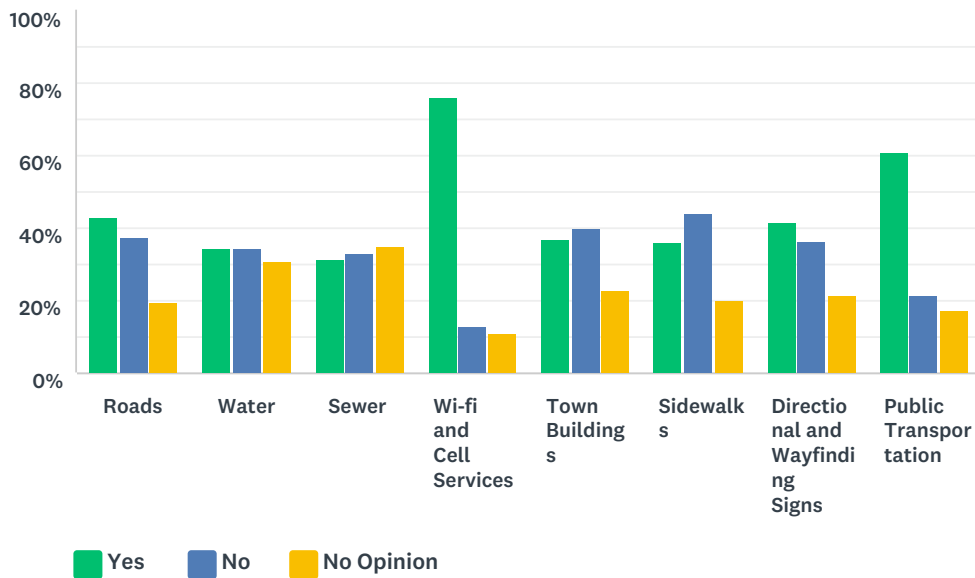

27	It depends if there is zoning in place so that a cohesive plan is adhered to.	11/3/2017 8:53 PM
28	If there is an owner of said building or property then they should pay to fix the problem. If it is a hazard and no owner is found, then the town should step in.	10/30/2017 5:28 PM
29	As long as taxes don't increase; school tax already so high	10/30/2017 4:23 PM
30	As long as it benefits the community year round	10/30/2017 4:15 PM
31	However there are grants available from the New York State Department of State.	10/30/2017 3:36 PM
32	Community indoor pool. Will support itself	10/30/2017 2:08 PM
33	The short answer is yes, tax dollars should be used. But i answer it depends because "complement & enhance the Town of Hunter" can be manipulate & interpreted many ways. The town needs to focus helping local business people thrive & grow their business & create jobs. Local gov't should step up its requests for making cable/internet accessible to all by directly engaging Spectrum or the provider.	10/29/2017 7:05 PM
34	Role of local government should be to create and enforce laws that protect the property of tax paying residents...if in doing this it needs to spend taxes...for example enforcing zoning laws.and preventing fraudulent abuse of the property tax system by religious groups..then that is a good use of tax money	10/27/2017 12:55 PM
35	Taxes are already high for a rural area, especially since so much is not covered by taxes (e.g. garbage collection). It would be great to find grants or donors for any new initiatives.	10/27/2017 10:57 AM
36	If taxes don't go up	10/25/2017 5:06 PM
37	Not on the educational nor art components but definitely on the incentives to businesses, creating a recreational center, and promoting year round businesses.	10/25/2017 10:58 AM
38	Must have a by-in by other agencies, the business community, the mountain managers, and other stake-holders to get the job done.	10/24/2017 4:15 PM
39	none of my choices should need more tax dollars	10/24/2017 2:25 PM
40	depends on how much we are talking about. I think it would have to be careful looked at and see exactly what is entailed in doing this	10/24/2017 11:56 AM
41	not as a part time owner	10/23/2017 10:16 PM
42	I would judge cost/improvement on individual cases	10/23/2017 7:24 PM
43	I would be willing to hear reasons for using tax dollars for any actions and improvements.	10/23/2017 6:20 PM
44	In moderation	10/23/2017 5:37 PM
45	Yes for #s 7, 6, and 1.	10/23/2017 3:59 PM
46	A clear cut well executed plan would win my financial support but I would prefer to see a reallocation of current funds to finance the actions.	10/23/2017 3:00 PM
47	It needs solid studies, planning and identifying current wasteful spending	10/23/2017 2:55 PM
48	The town needs zoning. That will not require taxes	10/23/2017 1:52 PM
49	As long as taxes do not increase.	10/23/2017 1:49 PM
50	I do not want to have my taxes raised, reevaluate the current budget.	10/23/2017 1:42 PM
51	It depends on the estimates and fair costs both to the tax payers and the town,	10/23/2017 11:34 AM
52	Not one will work, some must work together to make any of them work as a whole. One must compliment the other.	10/23/2017 11:22 AM
53	School tax's are beyond ridiculous	10/23/2017 10:42 AM
54	Only Item #12; Others should not require tax dollars.	10/23/2017 9:16 AM
55	If fiscally responsible	10/23/2017 8:47 AM
56	Need better understanding of what you are looking to accomplish with zoning laws.	10/22/2017 9:16 AM
57	Apply for state and federal grants . Not everyone can afford more taxes.	10/20/2017 6:04 PM
58	all avenues should be looked into	10/20/2017 4:28 PM

## Hunter Comprehensive Plan

59	For an adequate gym and recreation center.	10/20/2017 3:07 PM
60	tax incentives are a handout to companies who milk the municipality and abandon the town once the corporate welfare dries up. The town needs to be attractive to a work force who wants to live in the area. Supporting enhanced tech infrastructure and promoting remote work in a rural mountain environment I think could help draw people from the city without directly subsidizing business profits.	10/20/2017 11:32 AM
61	Some actions would save money	10/20/2017 10:44 AM
62	D	10/16/2017 7:46 PM
63	We need to look for all grant options as well. And other things that may not need the money given to it currently. I do not believe tax dollars should be increased for tourist things. And I believe our summer residences in the village need to be held responsible financially.	10/16/2017 2:08 PM
64	I support tax dollar usage to positively impact our town. That is what taxes are for. I do not support wasteful spending or spending dollars that have a low return on investment. this should also be weighed against the fiscal health of the town while not increasing tax burdens on already burdened tax payers. Do more with what we have essentially.	10/3/2017 10:40 AM

1	Town road are in good shape but state roads are terrible exp. 214 which is a scenic byway!!!?	11/18/2017 7:40 PM
2	Parking: Electric Vehicle charging. Solar panel program. Public Transportation including commuter parking.	11/18/2017 10:44 AM
3	Lake ecosystem and main Street expansion in Tannersville	11/17/2017 11:03 PM
4	Code enforcement to remove blighted buildings	11/16/2017 9:12 AM
5	Town to town hiking / bike paths a must to leverage only local asset, the environment. Wi Fi Used to be a system that would mount to elec poles providing service from one to other and bldgs. within a few hundred feet, could also host wi fi in public religious buildings and businesses which would tend to pick up many other structures too, GREAT student project, gives the less athletic something to do over the summer, intern with vendors setting up maintaining systems	11/16/2017 2:01 AM
6	Take down old buildings that have not been used in 5 yrs	11/13/2017 8:12 PM
7	TRAILS!!!	11/13/2017 7:12 PM
8	fragile water table needs protection	11/12/2017 12:43 PM
9	streams and waterways (bank stabilization)	11/5/2017 7:38 PM
10	Village of Hunter vacant buildings	11/5/2017 12:34 PM
11	If the main street is going to be shut down so much for events then paint some lines on the side roads that you divert traffic on. Also that becomes what visitors see and South Main street needs a lot of help in multiple departments as I'm sure you have been told by other people	11/4/2017 8:53 PM
12	Bike routes that do not interfere with car traffic.	11/4/2017 8:14 AM
13	Parking is inadequately sized at trailheads for most hiking trails and natural attractions - Kaaterskill Falls as an example in spite of new facilities there A shuttle to/from K Falls, N Lake busy trailheads and town centers. Generally more/larger facilities needed for influx of visitors. Visitors should be encouraged to lesser used areas where possible.	11/3/2017 9:12 PM
14	Water services throughout the Village and Town of Hunter must be improved. The local water companies must be consolidated into a municipal authority.	10/31/2017 8:45 PM
15	Create a shopping area/ plaza with beautiful holiday character, cozy, interesting and safe place for bysinesses and visitors to cross paths eg. plaza next to the gas station ( tge one with bagel shop)	10/31/2017 12:06 PM
16	More pedestrian signs at cross walks. Especially in front of elementary school!	10/30/2017 2:46 PM
17	Enforce codes - ugly road signs, blighted buildings, inconsistent building styles	10/30/2017 12:01 PM
18	1. Tennis courts with lighting, indoor facility? 2. Ice skating & hockey facilities 3. Walk-in urgent care facility	10/29/2017 7:05 PM
19	Do you 'think' not 'feel'	10/29/2017 2:38 PM
20	Ski lift from the Mountain, build a ski town like Park City, Breck Breckenridge, Stratton. Will increase rent ability ,	10/29/2017 4:32 AM
21	The effort to paint and maintain the Tannersville town buildings in cohesive an interesting color scheme should be continued as it improves curb appeal and makes Hunter-tannersville feel like an interesting vacation destination which will improve property values for exiting long term tax paying residents like my self	10/27/2017 12:16 PM
22	It would be great to have public transportation to Catskill, Hudson train station and Kingston	10/25/2017 10:58 AM
23	Recycling awareness, access	10/23/2017 3:05 PM
24	Bridges (including those under Greene County)	10/23/2017 1:54 PM

## Hunter Comprehensive Plan

25	Water meters is a need. It's not fair that a residence with one bathroom and one sink pays the same price as a residence with three bathrooms and 4 sinks.	10/23/2017 11:22 AM
26	well identified parking lots lighting on some roads	10/23/2017 11:02 AM
27	Allow and support new business to open	10/23/2017 9:16 AM
28	Unifirmed signs, build a character of this Village, build strip malls	10/20/2017 6:04 PM
29	Fix the parking so we can have stores that you can park in front of	10/20/2017 5:46 PM
30	Landscaping	10/20/2017 2:53 PM
31	The Tashbar for profit rental hotel on Dale In. frequently has unsupervised small children blocking Dale In. which is a 30 mph country road.and major safety issue...they should have proper fencing or develop their property so that the large number of occupants are contained within the property.	10/19/2017 3:29 PM
32	The sewers were supposed to attract restaurants and hotels to the village- never happened.	10/18/2017 7:58 PM

## Q16 How do you feel about natural resource protections in the Town of Hunter?

Answered: 330 Skipped: 59

ANSWER CHOICES	RESPONSES
I feel there needs to be an increase in protections over current conditions	55.15% 182
I feel there needs to be a decrease in current protections	7.88% 26
I feel that current protections are acceptable as is	36.97% 122
TOTAL	330

#	PLEASE DESCRIBE WHY YOU ANSWERED THIS QUESTION IN THAT WAY.	DATE
1	i feel that our natural resources are the most important asset we have for both residents and visitors. To diminish them is extremely foolish	11/24/2017 4:46 PM
2	Between the DEP and DEC, the environmental protection is adequately addressed. Aesthetics can be addressed through other land use laws.	11/21/2017 2:30 PM
3	Because I find no objection to the way things are. I do not see any natural resources being destroyed.	11/21/2017 1:17 PM
4	Natural resources for recreation and rural living are the Town's biggest asset.	11/20/2017 12:32 AM
5	High density housing or structures which will detract from views of the mountains or natural beauty should be restricted or not allowed....	11/19/2017 10:28 PM

## Hunter Comprehensive Plan

6	<p>We need zoning in place to prevent high density populations in rural areas. Litter, light pollution and noise pollution are currently a problem in Elka Park in the summer months. Water ways and roads are littered with plastic, food wrappers, cigarette butts, styrofoam and cans carelessly discarded by children and adults. I am always picking up litter on my daily walks in the Dale Rd area of Elka Park. We need shuttle transportation from villages of Tannersville and Hunter to trailheads since people are parking in no parking areas along Platte Clove Rd and 23 A. As a resident and avid hiker I want our roads safe and at the same time have hikers enjoy the NYS Trail system. Enforcement of no litter, camping too close to waterways and camping for extended periods of time are being done at Colgate Lake. People leave their trash and I am one of many concerned folks that pick up litter and dismantle illegal firepits at the lake. I often see dogs off lead that are not under voice command at lake and are running around without supervision or control of their owners. Someone is going to get bit or there will be a terrible dog fight some day. I have a dog that I leave at home when I go to Colgate Lake. I witness groups larger than 10 people using hiking trails. Groups from local summer camps, NJ and the NYC Metropolitan are the violators. Clear and simple signage at trailheads should define the legal size of the groups allowed and no litter law with enforcement. I pick up litter at the Roaring Kill trailhead and Katterskill High Peak on a regular basis.</p>	11/19/2017 1:55 PM
7	<p>People came to the Mts because they were totally different from cities. Mt forests, waterfalls, wildlife and nature's beauty in general. All those things are being replaced by new houses, the mass cutting of timber, hunting seasons that go too long and kill way to much wildlife. If people want what cities have they will stay there, if we have what they don't have but want they will come here.</p>	11/18/2017 10:43 PM
8	<p>increased day use</p>	11/18/2017 12:48 PM
9	<p>natural resources once gone cannot be replaced so protecting them is a must</p>	11/18/2017 12:23 PM
10	<p>nyc watershed should fund some infrastructure projects here</p>	11/18/2017 11:38 AM
11	<p>The stream beds are filled with Invasives: The residents in Town seem to have no knowledge of the damage. Lack of program and lack of education.</p>	11/18/2017 10:44 AM
12	<p>Overuse, dangerous conditions</p>	11/18/2017 9:51 AM
13	<p>Rampant dumping, littering, and environmental ignorance.</p>	11/17/2017 11:03 PM
14	<p>I've seen high occupancy dwellings ruin a once precious vista and overall feeling of being connected to the natural world around me.</p>	11/17/2017 6:43 PM
15	<p>I support everything we can do to support the town's natural resources, especially in using alternate sources of energy such as wind and solar.</p>	11/17/2017 5:22 PM
16	<p>Current protections do not to cover needs</p>	11/17/2017 3:01 PM
17	<p>It's a question of balance Increased protections but not at the cost of depressed economic activity/opportunities.</p>	11/17/2017 7:39 AM
18	<p>make sure we don't turn the town into a mining facility and save our forests and water</p>	11/16/2017 10:35 AM
19	<p>there is some protection that is better defined &amp; managed by the town rather than relying on the DEP &amp; DEC</p>	11/16/2017 9:50 AM
20	<p>Protections aren't bad, but badly enforced, due to lack of economic alternatives to env insensitive business. While enhanced regs are needed, and to some extent tailored to economic realities of env insensitive business, simply can't enforce them if it means depriving people of limited job opps.</p>	11/16/2017 2:01 AM
21	<p>the protection of our natural resources are critical, but contractors need to be able to work within those areas of protection.</p>	11/15/2017 11:08 PM
22	<p>a polluted planet dies, is unattractive and unhealthy. You can not overdevelop a parcel of land and make it look like the Bronx.</p>	11/15/2017 9:35 PM
23	<p>We have the dec, dep, etc, etc,</p>	11/15/2017 4:48 PM
24	<p>I have not been personally affected</p>	11/15/2017 2:00 PM
25	<p>There needs to be a reasonable review of current protections and the ability to enforce. Having the inability to enforce and as a result, increasing protections is the situation we are currently heading toward that is unacceptable.</p>	11/15/2017 12:28 PM
26	<p>With increased traffic through the area I fear the natural integrity of our town could get encroached on if not protected beforehand.</p>	11/15/2017 7:22 AM

## Hunter Comprehensive Plan

27	Development of large communities in rural areas is a threat	11/15/2017 7:20 AM
28	Relating to overuse and abuse these valuable resources are compromised.	11/14/2017 11:50 PM
29	I don't like to swim in sewer	11/14/2017 11:40 PM
30	Too much garbage legally allowed in our water and on our land.	11/14/2017 8:03 PM
31	Increasingly more "clearing" of land, cutting down of trees and ugly scars on the landscape	11/14/2017 7:52 PM
32	Motorized vehicles regularly use the Rail Trail. And there is often burning of garbage, etc. even when it is during no burn periods.	11/14/2017 6:23 PM
33	I feel there's concern over the erosion of the quality of the natural resources we have.	11/14/2017 4:25 PM
34	No need for more regulations	11/14/2017 3:33 PM
35	These issues need to be addressed ongoing.	11/14/2017 3:08 PM
36	State, city and federal regulations when properly enforced afford a certain level of protection, but only go so far. Coordination and continuity of actions among agencies does not always occur. Local protection should be increased where other governing bodies do not address, such as proposed residential and commercial projects that are out of character outside designated hamlet areas.	11/14/2017 10:22 AM
37	Schoharie Creek and other waterways are at risk of heat, sewage and other contaminant pollution.	11/14/2017 2:45 AM
38	NYCDEP	11/13/2017 10:01 PM
39	We have plenty of protected areas	11/13/2017 9:45 PM
40	Upgrading infrastructure/ parking at trail heads can help protect and natural resources. Better educational signage and messaging.	11/13/2017 9:09 PM
41	I feel the natural resources are part of the draw to the area and improving them will increase visitation and home ownership, decreasing will diminish them	11/13/2017 7:31 PM
42	The city has taken care of that	11/13/2017 7:05 PM
43	Nature and Hunter mountain are Hunter's top attractions. Especially nature should be valued and protected more.	11/13/2017 12:12 PM
44	Trails, lakes, streams tend to get overcrowded. Littering is a problem. Illegal parking.	11/12/2017 8:51 PM
45	Too much building or removing those protections ruins the very appeal of the town.	11/12/2017 8:42 PM
46	Increase in tourism can lead to deterioration of natural resources	11/12/2017 6:09 PM
47	We have to stay current and ensure that we keep improving protections of our environment	11/12/2017 12:58 PM
48	water must be protected. Contamination of our water supply is an important issue	11/12/2017 12:36 PM
49	I don't see any problems with it	11/12/2017 8:21 AM
50	when the horse is out of the barn, it is too late to belatedly shut the barn door	11/11/2017 9:55 AM
51	Recycling needs to be more readily available	11/10/2017 9:31 PM
52	It's beautiful here, no issues	11/10/2017 7:08 PM
53	Protect the tax base from loss by non-contributing groups, associations, exemptions, etc.	11/10/2017 6:02 PM
54	I haven't noticed any specific problems - other than the parking lot by Bastion Falls on 23A - and that could only be solved by a shuttle bus, and that would create its own problems.	11/9/2017 2:20 PM
55	Too many people do not have respect for the beautiful nature around the town.	11/6/2017 9:52 PM
56	THE DEP IS KILLING OUR AREA AND ADDING TO THE DECLINE OF YOUNG PEOPLE BUILDING HERE!	11/6/2017 11:35 AM
57	I enjoy every minute I'm there. Most people I have met there or bring there are very good about protecting the natural beauty. Our waters are my biggest concern.	11/6/2017 11:05 AM
58	With the increase of people coming into the area from areas where they have no experience with nature it needs to be constantly reiterated how important it is to preserve it. Sometimes people simply don't think or realize how fragile nature can be.	11/6/2017 8:08 AM

## Hunter Comprehensive Plan

59	DEP has way to much power	11/6/2017 8:04 AM
60	There seems to be little control over what is acceptable development. We need to protect the natural resources and character of the area as this is what is likely to continue to generate interest for tourists to come up and spend money, while maintaining the culture of the area that attracted us all here in the first place.	11/6/2017 7:00 AM
61	I am unsure what current protections are so please disregard my answer.	11/6/2017 12:12 AM
62	DEC, DEP, and local town laws are already sufficient in addressing natural resource protections.	11/5/2017 7:38 PM
63	I feel as if some laws are excessive and targeted. Protecting our natural resources are extremely important but need to be developed fairly with input from community.	11/5/2017 12:34 PM
64	I'm concerned about overdevelopment of large block housing. For example, housing close together, providing homes for 100 or more in a small area, like a large 3 story building with apartments for, say, 60 people. That does nothing to protect our environment or enhance our communities. I'm concerned with a direction away from a mountain top community.	11/5/2017 12:10 PM
65	I'm not sure what you mean by natural resources you should be more specific. I want parks and things like that to remain and increase.	11/4/2017 8:53 PM
66	Current regulations by DEP are strict enough	11/4/2017 9:23 AM
67	There should be some kind of recycling laws to help get rid of all the garbage around. There should be a dumpster at Molly Smiths to help with garbage.	11/4/2017 8:14 AM
68	The open/state forest is one of the major draws for the town and a reason to live here or maintain a second home. Access to the forest preserve could and should be improved and expanded. Signage could be much better and more informative.	11/3/2017 9:12 PM
69	Little scientific study has been taken of our area, and decisions are made without complete data analysis for environmental impacts. The town should have a Conservation Advisory Counsel	11/3/2017 8:53 PM
70	everyone needs to be constantly informed of how human activity affects our environment	11/3/2017 7:31 AM
71	I do not see any significant abuse	11/1/2017 5:14 PM
72	DEP needs to be less involved and allow more 'good' development	11/1/2017 1:37 PM
73	I believe they are acceptable as is, however they should be applied to businesses and residents equally.	10/31/2017 9:02 PM
74	Schoharie Creek must be improved so it can hold trout once again. Using the Creek as a special benefit for the snowmaking at the Hunter Mt Ski Bowl is a local disgrace. The Ski Bowl has purloined the water for it's own benefit and polluted the creek in return. This must be changed!	10/31/2017 8:45 PM
75	Over protective already Please!	10/31/2017 8:05 PM
76	Do not understand the question.	10/31/2017 7:55 PM
77	the lack of land use laws (and enforcement) also no zoning hurts us	10/31/2017 2:34 PM
78	If adequately and fairly addressed	10/31/2017 1:45 PM
79	People of The Catskills know what they have is very beautiful. They are great at making sure it stays that way.	10/31/2017 12:51 AM
80	This is THE resource key to all the rest.	10/30/2017 8:46 PM
81	There seems to be no consequences for abusing the natural resources we have	10/30/2017 6:16 PM
82	Not sure what current ones are, but good to protect in general	10/30/2017 4:23 PM
83	Protect our scenic and rural environment against high density development.	10/30/2017 3:09 PM
84	We have state and city govt overseeing our natural resources. If anything we should call on those agencies tasked and paid to assist in this and make them do it rather than take taxes away from more local issues.	10/30/2017 2:46 PM
85	No growth otherwise	10/30/2017 2:08 PM
86	The Catskill Mountains are our greatest asset and hospitality is the future of our economy. We must do everything we can to protect the mountains and streams for future generations.	10/30/2017 12:01 PM

## Hunter Comprehensive Plan

87	The current protections are unclear and appear unfair and influenced. So increasing them seems to not be an option. This question is too broad-based? How can you expect to get an actionable survey result??	10/29/2017 7:05 PM
88	I don't know enough about them but I 'think' there will always be a conflict between intelligent, sustainable growth among guests and residents depending on each groups selfish agendas	10/29/2017 2:38 PM
89	we have to be careful of runoff into our water system	10/29/2017 12:51 PM
90	Natural resources should be protected via zoning laws	10/27/2017 12:55 PM
91	The source of revenue and distinction for the town is it unspoiled natural wilderness and low density rural community. This is why people come to the area and is the source of revenue for the residents via supporting services. That should be the future of Hunter.	10/27/2017 12:16 PM
92	Because of the extra development, including the water/sewer treatment plant, that was allowed in the watershed area of Platte Clove.	10/27/2017 10:57 AM
93	Laws and protections are there, they just have to be enforced equally for all.	10/26/2017 7:16 PM
94	I moved here to live in the country not NYC	10/26/2017 1:38 PM
95	Lack of interest in maintaining the condition of natural conditions	10/25/2017 5:36 PM
96	The natural beauty of the area is what makes Hunter special.	10/24/2017 6:23 PM
97	concerned about large communities close to water sources	10/24/2017 10:55 AM
98	unsure	10/23/2017 10:16 PM
99	These are our best resources	10/23/2017 5:37 PM
100	I actually do not know enough about this issue to intelligently answer this question but I am supportive about protecting natural resources in the area.	10/23/2017 3:59 PM
101	I don't know enough of the details to feel comfortable answering this question.	10/23/2017 3:49 PM
102	I am not that familiar with what Hunter is doing to protect natural resource	10/23/2017 3:45 PM
103	Tree hugger.	10/23/2017 3:22 PM
104	Very unaware of situation	10/23/2017 2:55 PM
105	the natural resources/landscape/climate is the reason the town has a future	10/23/2017 2:51 PM
106	Too many buildings are eyesores undermining the promotion of the area as a destination for those seeking beauty	10/23/2017 2:19 PM
107	Currently in the Town of Hunter there is illegal industrial growth, industrial/commercial/septic waste and noise pollution destroying public health, public safety, natural environment and quality of life.	10/23/2017 1:54 PM
108	M.T. - Platte Clove	10/23/2017 1:49 PM
109	If acceptable is that for every tree removed a new one should be planted to replace it at a location needing trees.	10/23/2017 11:22 AM
110	with more people coming here there is an increase in pollution and trespassing on natural areas.	10/23/2017 11:14 AM
111	unsure	10/23/2017 11:02 AM
112	dep & dec both don't want growth here	10/23/2017 10:55 AM
113	when they are gone they cannot be replaced we have to take care of the land and the water	10/22/2017 1:56 PM
114	I see persistent degradation of the character and resources of the area due to real estate development, increased tourism, abusive festivals, and lack of stricter regulation.	10/22/2017 10:43 AM
115	Littering is a problem, even in residential areas. Increase those fines.	10/22/2017 9:16 AM
116	Min 3 acres to build a new house, to avoid over population	10/20/2017 6:04 PM
117	W/no rational land use plan natural resources are threatened	10/20/2017 5:58 PM
118	No more DEP!!	10/20/2017 5:46 PM
119	we need to promote our area not demonize it	10/20/2017 4:05 PM

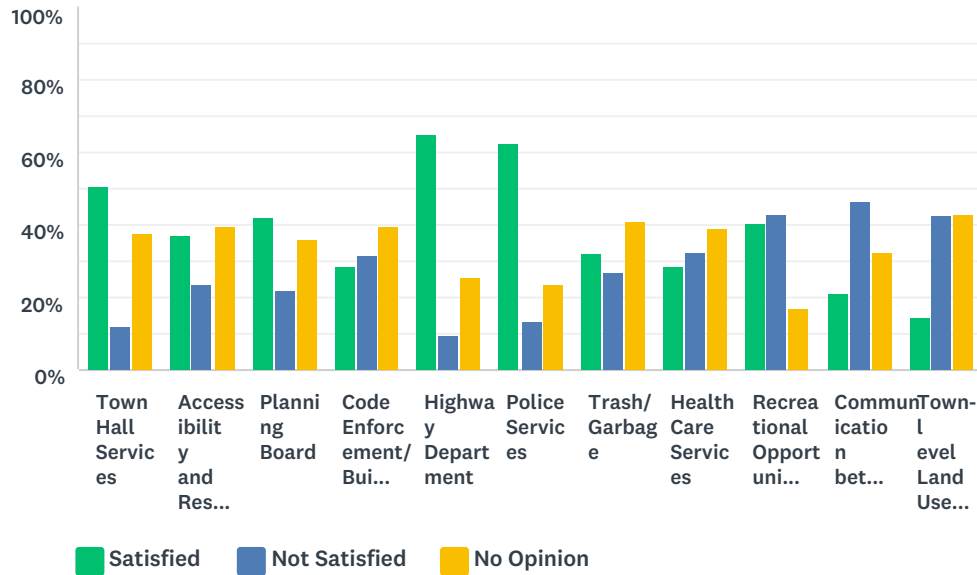

## Hunter Comprehensive Plan

120	Too much destruction and/or lack of maintenance of natural beauty like trees & landscapes.	10/20/2017 2:53 PM
121	Pressure for high-density housing threatens our resources.	10/20/2017 8:03 AM
122	not sure what this refers to	10/19/2017 4:19 PM
123	No zoning and no enforcement of environmental laws.	10/19/2017 4:10 PM
124	Natural resources are the main attraction of this area.	10/19/2017 3:47 PM
125	Hunter has allowed high density occupancy via building a Septic treatment plant in plate clove....this was a huge mistake!!!!	10/19/2017 3:29 PM
126	We need to protect the area for everyone to use and future generations. We need to plan for the long term and not just short term interest groups.	10/19/2017 12:26 PM
127	Hate to see the garbage left on the Mtn road.	10/18/2017 11:12 PM
128	I don't see a need for change	10/18/2017 7:58 PM
129	Once they are gone, they are gone	10/18/2017 1:40 PM
130	There has to be a balance between adding regulations to protect the environment and creating businesses to keep people in the area. We must be vigilant not to allow overuse of water and sewerage or building large housing developments that impact on the protections for the environment.	10/18/2017 1:06 PM
131	Seems OK.	10/17/2017 12:23 PM
132	But not strangling the town by DEP...	10/16/2017 10:56 PM
133	I believe in protecting natural resources but I don't know enough to say if there needs to be an increase of if presently acceptable.	10/16/2017 9:04 PM
134	It is a pretty obvious thing that needs to be done.	10/16/2017 8:33 PM
135	Current regulation ( including DEP and DEC) are hard enough and our burden on local community	10/16/2017 8:16 PM
136	Very high percentage of land area within town is already protected by the DEC and DEP.	10/16/2017 8:12 PM
137	Not knowable on these issues	10/16/2017 7:16 PM
138	Needs to be a balance	10/16/2017 6:03 PM
139	Pollution on the mtn road is an issue as well as the dumping of items. I think businesses have done a great job staying tidy overall.	10/16/2017 2:08 PM
140	Question unclear "protections"?	10/16/2017 1:13 PM
141	I think that we give DEP too much control over our land and water ways. Over growth of our creeks, streams and wooded areas do not help tonsustain wild life but has an opposite effect and decreases wild life. By not digging out streams and creeks does not allow fish deep holes for wintering and increases the chance of floods	10/16/2017 12:50 PM
142	Streams need more protection. Lakes too.	10/16/2017 12:40 PM
143	I don't feel that increased growth should come at the expense of the environment.	10/16/2017 12:35 PM

## Hunter Comprehensive Plan

7	Water/sewer charges are outrageous!	11/16/2017 7:03 AM
8	Phone service-better customer service would allow the public to leave messages on the phone when offices are closed. Present system does not allow..	11/15/2017 11:08 PM
9	Evaluate necessity, efficiency and productivity of assistant positions.	11/14/2017 10:22 AM
10	I am only answering to what I am familiar with - and those are limited	11/13/2017 7:31 PM
11	The building inspector is AWFUL and does not know how to do his job and he also does have discriminatory practices when it comes to who he wants to apply to laws to. He is also doing his job based on the direct direction of the Town Supervisors. I also find it very troublesome that this town has the drug problem that it does and nothing seems to be getting done about that and that due to our current board we do not have a Police Chief within the town of Hunter, how are we supposed to crack down on drugs when we don't have the police with the correct titles this causes a lack of respect, all because the board didn't want to pay them to do the job they still have to do!!!! I also do not feel that the town ambulance should be driving around town while on duty i believe those ambulances should stay in the building not wasting gas and wear and tear being driven around for the employees whom are getting paid to go have lunch, coffee and attend school functions. Going along with that I feel that the town ambulance should not be making stops at McDonalds, Dallas Hot Dogs, The Jolly Cow or ANYWHERE else when they are on their way back from a transport! Those ambulances and those "professionals" need to be back on this mtn and back in service as soon as possible in cause they are needed and NOT having lunch off the mtn!	11/6/2017 11:35 AM
12	Sorry I do not know anything about these services.	11/6/2017 12:12 AM
13	Reasonable and smart promoting recreation and beauty	10/31/2017 1:45 PM
14	Town Hall is not open about their meetings and post in a paper from another county. Not everyone has access to their website and they NEVER post anything around the town with the exception of this comprehensive plan. The Town police, Building Department and Assessor all play favorites among residents. People have built buildings in Haines falls with out permits and no one bats an eye. Drug dealers are making sales on the streets and its completely over looked.	10/30/2017 3:36 PM
15	Access to cable/internet is awful and town seems to be doing nothing about it.	10/29/2017 7:05 PM
16	the town is only involved in punitive matters needs to become constructive instead of destructive	10/27/2017 1:39 PM
17	The town need zoning and strong enforcement land use laws. The town need to take preventative actions against developers, especially high density developers that would effect the environment and rural character that is the basis for the towns economic viability now and in the future. Business development should be limited to businesses that provide services to support the town as a wilderness / outdoor activity destination...e.g. Hunting, Skiing, fishing, biking, hiking...ect.	10/27/2017 12:16 PM
18	I would like to see more recreational facilities - tennis courts in particular.	10/25/2017 7:37 AM
19	Local planning and zoning regulations need to be updated and modernized to build into the Town that we plan to be and avoid the mistakes of the past. Long overdue....	10/24/2017 4:15 PM
20	No comment	10/23/2017 7:44 PM
21	Too much in breading! Not enough flexibility for innovative follow through.	10/23/2017 3:05 PM
22	Unfortunately some elected officials are unable or unwilling to remain objective in community issues that affect their personal relationships and/or their income. Elected town board members should be monitored as to potential conflict of interest, and when there is a conflict (esp. voiced by the public) that elected member should be asked to recuse himself/herself.	10/23/2017 1:54 PM
23	Needs zoning	10/23/2017 1:52 PM
24	Police services are fine, however the area has way to many enforcements in the area which has driven away potential visits from outside the area. This comment is from a retired police officer.	10/23/2017 11:22 AM
25	we have very little information accessible to give proper judgement	10/23/2017 11:11 AM
26	Zoning seems to matter. We were just in Dutchess for the day and have been to Columbia several times recently and see a big difference.	10/23/2017 11:02 AM
27	Planning Board could be more effective if we had zoning.	10/22/2017 10:43 AM

28	we are such a great ski area held back by the greed of a certain few people and the unintelligent way the ski area is run, by people who hate the sport of skiing with no imagination, I could turn the hole area around in two years with the proper financing, skiing is a sport of passion and needs to be run by people who love it, then the business will follow	10/20/2017 4:05 PM
29	Lack of coordination with the various village officials.	10/20/2017 2:53 PM
30	stop clear cutting of trees on private property	10/20/2017 10:44 AM
31	Stole my front yard and driveway, no compensation, consideration, nowhere for me to park, the spot in front of my house on 23a should be for my use only.	10/18/2017 7:58 PM

2	The Hunter Foundation support of consistent-look development along Main Street is a blessing. All future development would benefit from being channeled along this Main street corridor between Hunter - Tannersville and Haines Falls and to keep the look and feel of ginger bread house Tannersville main street.	11/20/2017 12:32 AM

## Hunter Comprehensive Plan

3	The Town needs to have a plan. Letting in the Dollar Store was a great disappointment. I hope the stretch of road does not become an unattractive strip of chains such as fast food chain restaurants. Now is the time to promote LOCAL and to support local development with economic incentives.	11/18/2017 10:44 AM
4	Main Street	11/17/2017 11:12 PM
5	ANYWHERE BUT BASED ON THE TYPE OF BUSINESS. I.E. A RESTAURANT OR STORE ON MAIN ST. IN THE VILLAGE. AN INDUSTRIAL TYPE OF BUSINESS ALONG A SECONDARY ROAD.	11/16/2017 2:09 PM
6	With significant inc in zoning regs business of some sort can be accommodated almost anywhere, it takes quite a bit of effort to build up such a zoning reg. Might start with a restrictive zoning reg and allow variance via town meeting presentation and board approval, presented in a format that allows it's inclusion into the zoning regs, even requiring the land owner to write the new zoning sections for approval by the board / public vote / etc. Then bit by bit exceptions that include the minute detail necessary to protect the natural env that is the only asset of the area, and surrounding land owners, from the activity can be added "free of charge" and "without effort".	11/16/2017 2:01 AM
7	New business brings new jobs, the location seems non-important.	11/15/2017 11:08 PM
8	Anywhere on the mountain...but only if it isn't corporate eye sores like the Dollar General. Preexisting structures should be utilized before building brand new construction.	11/15/2017 11:39 AM
9	Depends on the business. Some businesses are better suited for tucked away locations while others need to be in the villages.	11/14/2017 8:03 PM
10	Please bring them in- encourage them to come.	11/14/2017 6:23 PM
11	Need new bars and restaurants	11/14/2017 2:41 PM
12	Depends on the business.	11/14/2017 12:15 PM
13	Along major corridors - 23A, 214; for smaller outfits (antique, café) anywhere is fine	11/14/2017 10:22 AM
14	Anywhere in the town would work, if there is a need for it, and a want for it, doesn't matter where the building is located.	11/14/2017 5:41 AM
15	Depends - small business in villages, agri-business outside in rural areas, knowledge based industries from any residence	11/14/2017 2:45 AM
16	MOSTLY ALONG RT 23A	11/13/2017 7:12 PM
17	on secondary roads close to main corridor	11/12/2017 12:43 PM
18	depends on the type of business. Some on 23A or cottage industry on secondary road	11/12/2017 12:32 PM
19	Businesses that do not siphon revenue from existing local owned/run businesses. No Dollar General, etc. to siphon revenue from our established businesses.	11/10/2017 6:02 PM
20	Ideally, a new business would be in central Tannersville or Hunter but off of 23A. I regret the new development of the new Dollar General between the two towns.	11/9/2017 2:20 PM
21	If they are off the beaten path they need to advertise to the tourists that would keep them in business. People need to know they are there.	11/6/2017 11:05 AM
22	There should be other choices on the Hunter Mountain property. Years ago there was a restaurant in the Highlands.	11/6/2017 8:08 AM
23	Obviously depends on the nature of the business. Retail etc within the villages.	11/6/2017 7:00 AM
24	This should be on main street though.	11/6/2017 12:12 AM
25	Anywhere, as long as it doesn't interfere with the town's persona.	11/5/2017 7:38 PM
26	Businesses should remain local and privately run. Bringing in big companies will make it more difficult for smaller businesses to survive.	11/5/2017 12:34 PM
27	Once again don't put everything on the main street corridor then push drivers down a horribly maintained side street with nothing on it....doesn't happen all the time but needs to be addressed.	11/4/2017 8:53 PM
28	no business can survive if there is no population!	11/4/2017 9:58 AM
29	it's important to have vibrant 'downtown' areas	11/4/2017 9:23 AM

## Hunter Comprehensive Plan

30	New businesses should be located along the main roads where the road is wider and there is opportunity to find enough parking without hindering traffic flow. There also needs to be sidewalks so that people can walk from business to business without walking in the road. Also some crosswalks at certain intersections would help too	11/4/2017 8:14 AM
31	site specific due to impact on adjacent properties or neighborhood integrity	11/3/2017 8:53 PM
32	anywhere but with a plan and enough information to make a good decision on the merits of the plan	11/3/2017 7:31 AM
33	The many old restaurant locations that are abandoned between Tannersville and Hunter needs to be torn down and some need to be redeveloped. From PJ LARKINS to Black Diamonds to the horrible building that housed the Chinese restaurant and Pool Room and PETE's each needs to be removed. And the Red Fox and the whole row of empty ski shops, like Crazy Horse need to be torn down as well. And the empty former breakfast restaurant next to the .Village Hardware store needs to be removed as well. The town is a mess and the politicians of the past didn't give a damn about having a living town as long as their businesses thrived. I could name the names, but what good would that do?	10/31/2017 8:45 PM
34	Anywhere if it fits the environment.	10/31/2017 1:45 PM
35	rehabilitate the empty buildings!!	10/30/2017 8:46 PM
36	There could be exceptions.	10/30/2017 5:28 PM
37	Concentration of businesses should be along or near a main st corridor.	10/30/2017 3:09 PM
38	I support new business development & job creation. Not all new businesses belong in a village or hamlet area, so I do not think this question is worded properly. Location of new business depends on type of business. Hunter could be home to many kinds of specialized manufacturing businesses, eg., solar energy, wind energy, call center services for larger companies, etc. Need much better internet, communication services.	10/29/2017 7:05 PM
39	The Rip Van Winkle Lake is a gem and could be the centerpiece of the town. The old Mountain Eagle building is a disgusting. It's an ugly duckling that's waiting to be transformed into a swan. An eatery, a 'hang out' (there's nothing wrong with 'hang outs'. Art, chess, backgammon, music, internet, interact.	10/29/2017 2:38 PM
40	There is plenty of vacant space in the main street area for storefront / retail busines and that is where any business that attracts high traffic should be located.....business can be located anywhere else as long as they do not negatively affect local communities character...For example the Tashbar hotel property on Dale In in Elka Park buses in hundreds of hotel guests with large commercial busses driving up and down small rural community roads. Do to the high number of people the property can not support them and they are out walking up and down the roads, littering and presenting a safety hazard.....this is highly out of character to the existing neighborhood and negatively impacting.	10/27/2017 12:16 PM
41	WE need more businesses, especially any that can make Hunter a year round resort destination as tourism dollars will make a positive difference for our community.	10/25/2017 10:58 AM
42	As noted earlier in the survey, I would like to see the area leading to the mountain developed into either park space or a more commercial area to support the mountain.	10/25/2017 7:37 AM
43	It would depend on what the business was as to where the appropriate location would be. If it were an unsightly business, then it certainly should not be in a village or hamlet or on a Main Street corridor.	10/23/2017 6:20 PM
44	It needs to be profitable nd accessable	10/23/2017 5:37 PM
45	The vacant buildings from the ski resort and into Hunter Village need to be torn down and rebuilt or refurbished with better signage directing skiers to the village. I didn't know the village existed when I first came up skiing.	10/23/2017 3:45 PM
46	Walk-able, pedestrian-scale density is the future of development--Hunter should be on the right side of the future of town planning!	10/23/2017 2:51 PM
47	Unless there is a reason to drive past the main Hunter mountain entrance no business will survive in that location. There must be a need to pass the entrance so visitors know what is there. I have friends that have ben coming up here for over 20 years and never knew that there is a movie theater. SAD.	10/23/2017 11:22 AM
48	They should be in a Zoned Use Area	10/23/2017 11:14 AM

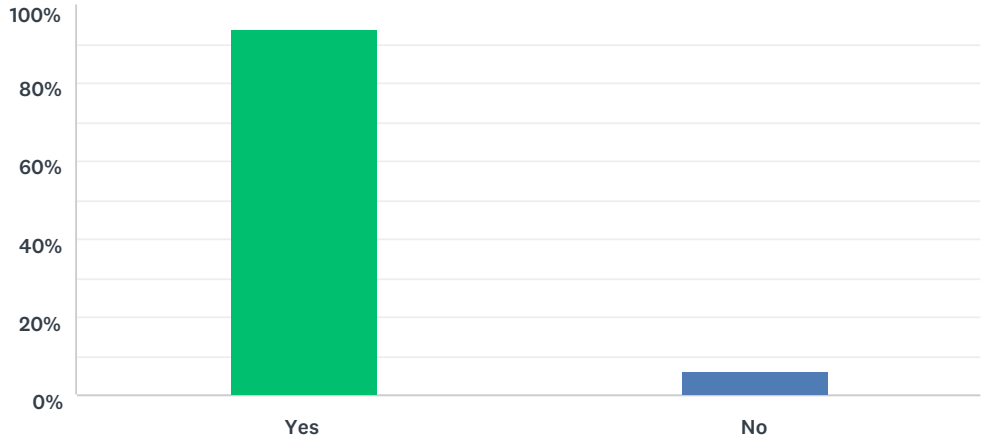

## Hunter Comprehensive Plan

49	any new business should be encouraged to open	10/23/2017 10:55 AM
50	Allow new construction, not just the old crummy buildings	10/23/2017 9:16 AM
51	Abandoned lots and buildings. Already established parking areas (Tops). The new Dollar Store is a horrendous mistake. Last thing we need is a strip or mall.	10/22/2017 10:43 AM
52	we need growth , stores, liek up at lake georhe outlets, ambition, someone who understands that	10/20/2017 4:05 PM
53	TheOld Powder / Tuscan Rest blog in Tannersville is probably large enough to house a gym and rec center.	10/20/2017 3:07 PM
54	It depends what kind of business it is.	10/20/2017 2:53 PM
55	Hunter Village, The opportunity to build a slopeside village is here, it just needs to be done. A new Main St corridor with a gondola from main st up to the base, with a skating rink in town, with shops and cafes, and tasteful design of buildings.	10/20/2017 11:25 AM
56	Anywhere but not on residential streets	10/20/2017 10:44 AM
57	As long a the business does not impact the rural character and is low density it could be anywhere	10/19/2017 3:29 PM
58	There needs to be zoning that creates business areas within the village and on main corridors. However, businesses that do not attract transient customers should be allowed outside this zone.	10/19/2017 12:26 PM
59	Village of Hunter	10/18/2017 11:12 PM
60	Sewers were supposed to attract businesses - cops keep all bar and restaurant owners away.	10/18/2017 7:58 PM
61	I would never recommend people to move businesses to the mountaintop when for decades the mountaintop hasnt even been able to support their own towns peoples businesses until outside help with foundations and contributions helped eleviate rent et.	10/16/2017 8:33 PM
62	Any new business is good	10/16/2017 8:16 PM
63	Too broad a question, and too few choices, zoning would fix that.	10/16/2017 7:46 PM
64	Depending on the business	10/16/2017 7:16 PM
65	Places like deer mtn are off the path and gorgeous while still keeping our rural feel. Village of hunter is slowly building but wayyy behind tannersville. As long as places respect our cultural and rural feel, bring them in.	10/16/2017 2:08 PM
66	There should be incentives to reuse existing buildings - before new construction of commercial structures are allowed.	10/16/2017 1:00 PM
67	Depends on the type of business	10/16/2017 12:40 PM
68	I think businesses should be located where they make most sense. I'm not opposed to a business on a secondary road as long as it is not a nuisance to neighbors or impact quality of life. Any business outside of the commercial corridors should be qualified and assisted for best success in our town.	10/3/2017 10:40 AM

1	Don't raise taxes for the existing locals	11/16/2017 7:04 AM
2	Tax incentives should not include tax free deals, simply can't afford it, suggest freezing tax as is for a period, and if business / residence etc can adapt an existing building, no reason not to make freeze permanent subject to some reasonable cost of living increase clause. Why, we weren't going to see any more taxes if the building just stayed the same anyway AND gets rid of poorly used buildings that blight area	11/16/2017 2:10 AM
3	I truly do not know how to answer this. I believe the community should be involved with promoting business, with the assistance of the town in the above.	11/15/2017 11:15 PM
4	Attracting new businesses will require reliable employees, which gets into employee sustainability issues - housing, transportation, decent wage. What come first the chicken or the egg?	11/14/2017 10:28 AM
5	I am not sure which would be the driving factor to bring more people into the area - selling the lifestyle or offering tax incentives - is the lifestyle enough of a selling feature?	11/14/2017 2:57 AM

10	stop spending our money for private business to make a profit that us not shared - other than they may pay taxes- often they get tax abatement - so there are no advantages to the growing expenses they bring	11/4/2017 10:02 AM
11	Take advantage of momentum of new ski area ownership and tourism infrastructure	11/4/2017 9:25 AM
12	Expansion should at first be tourist oriented followed by increase in small businesses to support residents. It is not that far to major shopping/high population centers in the Hudson Valley.	11/3/2017 9:16 PM
13	Tax incentives!	11/1/2017 1:38 PM

18	Job training for young people with poor education and family backgrounds / drug problems. Lack of workforce is the biggest challenge for development in Hunter.	10/30/2017 12:03 PM
19	We support outsiders, in business, instead of seeking out the talents of the local people. There are so many talented students who could be enormous assets to the future of our town, incent them to identify themselves and support their talents that in turn will contribute to the 'best' options for our future.	10/29/2017 2:47 PM
20	consider reaching out to the second home owners for ideas and suggestions	10/27/2017 1:41 PM
21	towns job is to create and enforce laws that protect its residents and their property values. Town should not be to involved in private sector business...one exception would be to attract business that further the town as a wilderness vacation destination through tax incentives.	10/27/2017 12:20 PM
22	By the way, offering tax incentives costs residents money - someone has to pay for the incentives. So I don't think they are good for residents.	10/27/2017 10:57 AM
23	When a business focused credit/collection agency wants to relocate, don't have the Hunter Fdtn reject it . Selling the affordable homes, offering fix-up incentives, could have been big for Tannersville.	10/23/2017 9:09 PM

## Hunter Comprehensive Plan

1	I absolutely oppose businesses such as the new dollar general which in my opinion does nothing but take away from small family owned establishments and diminish the character of the area. I don't particularly like Tops but we already have a large scale grocery store. I do however believe we would benefit from small scale specialty food options such as a meat market and farm store in the likeness of those Woodstock has. Also at the moment I feel there are more than enough restaurants/cafe/bars.	11/24/2017 4:58 PM
2	I feel that Tannersville offers what is needed in terms of businesses. Focus should be on reviving the Tannersville pond area as a tourist central 4-season attraction, as is outlined in the Hunter foundation development plan.	11/20/2017 12:37 AM
3	I am opposed to big box store, fast food or chain stores in general.	11/18/2017 10:46 AM
4	We should be much more focused on enabling outdoor recreation (BMX pump track, improved trails, bike paths connecting hamlets, shuttle service to trailheads, etc)	11/17/2017 11:06 PM
5	Anything except big box retail	11/17/2017 7:43 AM
6	farm, bakery, software development, marketing firm	11/16/2017 2:54 PM
7	Here's a crazy idea, ck out food truck culture in NYC, there are hundreds of them, are there down times for them, long weekends, when business stinks, maybe a food truck fair, find a hotel with big lot and a couple of empty rooms to comp owners and rotate them in and out over the summer, county fairs have tons of food vendors, might try a multi site food fair using various lots throughout the town which might also get people into adjacent businesses Prof services? anyway to get back office services operating remotely to service urban areas who knows, I don't. Lodging would be unlimited if anyone can figure out how to make money from middle income wage earners in near by urban areas who can't afford even modest costs of vacationing on mountain top now.	11/16/2017 2:10 AM
8	I believe the town residents as well as the tourists and second home owners need, and would appreciate, the two items checked above.	11/15/2017 11:15 PM
9	Technology , College, Art/Music Schools	11/14/2017 3:08 PM
10	Need a lot of life	11/14/2017 2:46 PM
11	Bring back Molly Smith's souvenir shop! Warehouse business if appropriately scaled and located could add jobs.	11/14/2017 10:28 AM
12	Bowling is out - yoga is in! College/University - Organics - Microbreweries - Farm to Table - local coffee - Marketing/Branding - Website Design - Tech industries	11/14/2017 2:57 AM
13	Water park	11/13/2017 9:50 PM
14	More artist based stores,	11/13/2017 8:52 PM
15	Hunter should build its own character around outdoor sports, nature and the arts. These bring people to Hunter, and will bring more if better developed. But it is crucial that Hunter remains small.	11/13/2017 12:11 PM
16	homebased businesses that can be conducted via internet	11/12/2017 12:43 PM
17	No closed community businesses.	11/10/2017 6:03 PM
18	Retail, lodging, grocery and restaurants are all there and most are struggling. But big box and warehouses diminish the greatest asset which is nature. How about improving the trout fishing? That used to be a big draw - what happened???	11/9/2017 2:28 PM
19	The Lodge at Hunter needs to be updated and improved greatly. There should be better eating options, the bar needs to be updated. More fireplaces to gather around. The sushi is fantastic but the area it is in could be improved.	11/6/2017 8:10 AM
20	Warehouse type business would bring full time residents put children in school and help support small local sores	11/5/2017 12:31 PM
21	we can barely keep the current restaurants in business if possible more than one doctor in town who is over loaded and always had PA - hard to see THE doctor-	11/4/2017 10:02 AM
22	Promotion for farm to table in restaurants; '2nd home' mountaintop venue for valley boutique businesses that will draw from their current clientele. Cutting edge Green manufacturing industrial park	11/3/2017 9:16 PM
23	Artisans: craft, cheese, beer	11/1/2017 2:47 PM

## Hunter Comprehensive Plan

24	No big chains or big box stores	11/1/2017 1:38 PM
25	Gym gym Cable to east Jewett	10/31/2017 8:06 PM
26	NO more industrial business	10/31/2017 2:35 PM
27	Small cafe, Crafts gallery	10/30/2017 9:38 PM
28	A place for teens	10/30/2017 2:48 PM
29	We need more hotels, restaurants and bars.	10/30/2017 12:03 PM
30	Manufacturing related to energy (solar, wind), environment. Warehousing, distribution.	10/29/2017 7:06 PM
31	First identify who we are. Realistically we are a small space. Enter the internet. We are the perfect town to create a unique identity, support unique businesses that originate in our small space and extend to and succeed thru the internet.	10/29/2017 2:47 PM
32	Those that support town recreation destination	10/27/2017 12:56 PM
33	A commercial lodging venue would be very much appreciated (ex a Marriott or Hilton). A large farmers market that offers crafts as well would be fantastic (modeled on the Syracuse Regional Market concept).	10/25/2017 11:00 AM
34	light manufacturing, consumer product assembly, tech services	10/25/2017 8:16 AM
35	Golf and tennis - I'm not in favor of building a gym.	10/25/2017 7:38 AM
36	telephone & internet based businesses could be successful here if correctly targeted & promoted.	10/23/2017 9:09 PM
37	spiritual and intellectual conference centers/ spas/ food processing businesses/ food growing businesses (hot houses/ farming); tech industries/ private boarding school/ assisted living community/ alternative medical facilities	10/23/2017 6:24 PM
38	The businesses need to provide jobs not serve the town	10/23/2017 4:21 PM
39	Independent business are always the business that I prefer to support.	10/23/2017 3:50 PM
40	Shopping, manicure, entertainment, jazz club, speak easy	10/23/2017 3:08 PM
41	Businesses should be compatible with the natural beauty and historic environment of the area. This is a tourist area and that is where its economy will thrive. Also second home owners need to have an incentive to purchase and maintain their homes. Their needs and voices need to be considered and represented by the various town agencies. These part time residents pay more than 75% of the taxes and get little in return.	10/23/2017 2:02 PM
42	anything to create service--as opposed to retail- jobs	10/23/2017 11:03 AM
43	ice or roller skate rink indoor or out, dog park	10/23/2017 10:59 AM
44	Well run medical service. Better use of social services (Medicare and Medicaid)	10/22/2017 10:43 AM
45	Get someplace great like Adams Fairacre Farms, a gym would be nice. We really need a selection of restaurants. Develop enough so that people would enjoy spending a day or weekend.	10/22/2017 9:20 AM
46	a bakery, a small walk-in urgent care clinic, a commercial coffee place like Starbucks	10/22/2017 8:31 AM
47	water park, mountain coaster, outlet stores, a new name gold resort	10/20/2017 4:06 PM
48	Technological services companies. From call center, to a tech startup. Something that can attract customers (and money) from outside the physical Town.	10/20/2017 11:34 AM
49	Any would be a bonus.	10/20/2017 11:26 AM
50	Sporting store	10/19/2017 4:12 PM
51	Businesses that support town as vacation destination	10/19/2017 3:54 PM
52	How many businesses burned in town? Why did they? Because the police drove the tourists away.	10/18/2017 8:00 PM
53	No opinion at this time	10/16/2017 7:18 PM
54	We need other options for breakfast. Twin peaks isn't opened everyday. A place for fancy but quick coffee items would be great. Dolphs is quick and always busy and doesn't have change in menu. Nightlife during the summer lacks. A fitness center. Shops for basic needs but a step up from dollar general. Farmers market. Casual dining with reasonable pricing. Hibachi/sushi. "Upscale grocery" similar to Adams.	10/16/2017 2:24 PM

## Hunter Comprehensive Plan

55	I do not believe we want big box retailers or large corporate entities that compete with small town businesses. I think we should promote local business and small business wherever possible in order to have a diverse and community enhancing economic landscape.	10/3/2017 10:42 AM

1	I would love if the Town of Hunter was a place where full time residents could thrive. If it were a place that inspired more people to create lives here. If our main street were a place that was open 7 days a week and supported the needs of local residents as well as tourist. I wish people could create viable opportunities for themselves and invest in the community to make it even better. I often use Woodstock as an example of what I'd like to see. Our location and all it has to offer is more beautiful and has untapped potential in my opinion and I feel its a shame we are not thriving in a similar way. Thanks for creating this opportunity to give input in an effort to improve this lovely area. Its a great start and I sincerely hope it helps in the continued effort to make the mountain top a better place to live and visit.	11/24/2017 5:15 PM
2	This is to emphasize my absolute main concerns. Zoning for the purpose of establishing business areas and preserving residential ones. Wifi and internet service at competitive prices.	11/21/2017 1:25 PM
3	A long-term view focused zoning regulation will help protect the town's natural resource assets and points of attraction. Therefore, zoning and strategic use land regulations are imperative.	11/20/2017 12:39 AM
4	I know the town police try to be nice to visitors but they should ticket illegally parked cars, have cars towed and give tickets to bus and tractor trailer drivers that try to use Platte Clove Rd. Police should be ticketing people at Colgate Lake that park illegally, litter and have their dogs running around off lead and not under voice command. Bldg inspector should enforce whatever laws are in place for trash in yards and garbage cans left out so bears can spread the trash onto other peoples property. Take away the portable toilets at Colgate Lake. People think they can leave their camping trash next to them for pick up. Enforce no private businesses at Colgate Lake since a yoga instructor plans on having yoga classes there on water boards in the future! Thank you for this survey. Let's protect the beautiful town we so enjoy.	11/19/2017 2:08 PM
5	Need to develop a concentrated town center. With resources such as fresh bakeries, natural foods, art galleries, meeting places. Less predatory police presence that keep tourists away.	11/19/2017 11:09 AM
6	Growth is important for the community. When implemented properly growth can accentuate the beauty and grandeur that is found in the Northern Catskills. Growth leads to opportunity and opportunity to upward mobility for its citizens.	11/18/2017 3:01 PM
7	there need to be a dialog hosted to gain a understanding that just because you may not agree on a certain item, the answer isn't, I'm going to SUE. this only causes neighbor against neighbor and shuts down any type of civil discourse. this will probably could to be hosted by the churches. we need to learn to be civil.	11/18/2017 1:37 PM
8	safeguard the things that we have and grow responsibly	11/18/2017 12:51 PM
9	moving in right direction need to package it tighter and easy transport so visitors can move about easily better internet, and continue to dress up the area to accent the raw beauty in which we reside	11/18/2017 11:40 AM
10	I believe this survey has covered my love of the recreational opportunities and Open Space, and the hope that a green infrastructure can be developed. This would include a public transportation plan, educational opportunities and partnerships with environmental agencies.	11/18/2017 10:48 AM
11	Drive in movie. C'mon you know it'd be a hit.	11/17/2017 6:45 PM
12	Thanks for this opportunity.	11/17/2017 5:23 PM
13	Concerned that there seems to be limited medical emergency services available to visitors and residents, especially in limited access areas. There is a need for zoning	11/17/2017 3:02 PM

## Hunter Comprehensive Plan

14	Thank you for consulting us on the future of the town.	11/17/2017 7:44 AM
15	LET'S GET TOGETHER AND GET THIS DONE. THE TIME IS NOW. THANKS FOR PUTTING TOGETHER THIS SURVEY.	11/16/2017 2:11 PM
16	project a friendlier atmosphere to outside visitors	11/16/2017 10:44 AM
17	Work with Peals Resorts to invest in the area and help create the viable community that we should have.	11/16/2017 9:16 AM
18	I believe I have..... way too much. Hope something helps. The area has much to offer many, if only a way to accommodate, and milk them for enough to make it worthwhile is found. Hmmm, multi year student study / contest. There's a train line in Europe run by kids, might be possible for students of all ages to run an experimental inn, hotel, activity program..... until the right formula is found, assuming some grant can be tapped for support costs, insurance, etc.	11/16/2017 2:13 AM
19	I'd very much like to see the agenda (or a good part of it) placed on the town website. Possibly it would encourage more participation at the town meetings. We have a good town, just need to iron out a few quirks.	11/15/2017 11:18 PM
20	the parking issue at Devils Kitchen/ route 16 needs to be worked with. Either people can park or not. It is a scenic hiway (which you guys pushed for) and now people are being ticketed for coming to enjoy the mountains? some old churches, like the one on rt 23a near scribner hollow look lousy. and the old one in Platte clove. restore them.	11/15/2017 9:41 PM
21	We are a short 2.5 hours from a people base of millions, and Hunter seems to be a sleeping giant. We need to be able to make Hunter a DESTINATION, not just a day trip, this type of visit for the most part does nothing to enhance us, provide regular jobs etc.	11/15/2017 4:51 PM
22	The village of hunter needs to be built up. More places for tourists to shop Bigger nightlife	11/15/2017 3:39 PM
23	The transient rental population creates a revolving door of people on a neighborhood, rowdy, drunk, loud, screaming people all hours of the night. Not acceptable. Tax these rentals to compensate for services they use like flushing a toilet 40 times a day vs my 4 times.	11/15/2017 2:04 PM
24	Mountain Road is a HUGE economic issue. Many people are afraid of the road, it is often in poor shape and is a HUGE problem when large trucks and trailers use it. Need a Recreation Department, outside of the amazing school district there is absolutely nothing for our young people. We need larger businesses and that can be balanced with the boutique style businesses. Thank you for this opportunity to share thoughts and ideas. Pat Sweeney	11/15/2017 12:32 PM
25	I believe it is truly important to deny the corporate big box stores from investing and investing the gorgeous natural beauty of the mountain top. The reason I fell in love with this area was because there was not obnoxious stores and strip malls all over the place. I believe this is also why people visit our area, to be in nature. We compromise the integrity of the natural beauty that surrounds us here in the Catskills when we let these types of businesses put up shop.	11/15/2017 12:08 PM
26	Main swimming pool	11/15/2017 8:08 AM
27	Seasonal free/ volunteer or low cost shuttle with late/ evening hours on weekends to eliminate DWIs and make it easy for visitors and locals to travel between Hunter and Tannersville and support local businesses.	11/14/2017 11:51 PM
28	I would love to see the lake in Tannersville developed. There is so much potential there but it needs an overhaul before people will attend. I know that they have events there currently but the place feels run down. There could be community garden, outdoor organized events (yoga, sport games, live music, etc), a small restaurant, ice skating, an indoor facility, and many other attractions. It could become the main hub of the town. I know that it is small but it has potential. I also think that we need more retail shops in the village of Tannersville. People walk up and down the street and have very few shops to visit.	11/14/2017 8:13 PM
29	People (individuals) must open their eyes and own responsibility for our community.	11/14/2017 7:59 PM
30	Start a shuttle bus	11/14/2017 3:34 PM

## Hunter Comprehensive Plan

31	How do other resort, vacation destinations and prosperous towns flourish and appeal to visitors and full time young, and retired residents? If it hasn't already been done, I would suggest meeting with other town officials to see what they have, and are doing that makes their efforts and planning , successful. For example:Saratoga Springs: Rockport, Mass.; Rhinebeck, NY... Unless there is a larger business, (one that does not compromise our environment),to employ young people with decent salaries, I don't see young families wishing to reside on our Mountain Top. Our students leave for good jobs elsewhere. Thank you for taking the time to survey our residents. Let's hope we can come together to foster economical growth and retain the beauty of our town.	11/14/2017 3:20 PM
32	Not happy about the speed trap going from hunter to tannersville	11/14/2017 2:47 PM
33	Personal agendas of elected officials	11/14/2017 12:22 PM
34	Should this process lead the town to develop a zoning law it is critical districts are established with progressive incentives, as well as size and use limitations. Zoning in itself is not all that it appears. Example the town of Red Hook, Dutchess Co. - established comp plan, zoning followed, but overtime as the town develops, the comp plan goal to "preserve rural character and farmland" slowly diminish as subdivisions occur based on established districts. Land use and growth in a community overtime takes leadership, tools like this process (thank you!), and land use controls. Zoning would be a logical next step.	11/14/2017 10:43 AM
35	I was raised here in the Town of Hunter, I remember how it used to be, thriving winter scene. The scene has somewhat changed, and has added more Art, Music , and other great options. I would love to see new businesses up here. The only reason I did not want the Dollar General up here , is because there is one every 15 miles, It's actually a nice looking building, they did a nice job. So I do not mind chain retail stores up here. Would just like to see a variety of stores. I'm happy that now in the winter there is another option besides TOPS to purchase items in that I don't have to go off the mountain to get. I love TOPS and use them almost 80% of the time, but wish they would expand to, so that the items I have to go off the mountain for are here instead.	11/14/2017 5:50 AM
36	The main concern should be promoting growth and making sure the town is ready for that.	11/13/2017 10:56 PM
37	The Town of Hunter has unlimited potential! The town along with the mountain could be a world class four season resort destination that would bring year round job opportunities and allow people to be full time residents. The beauty and ski terrain is world class, the new owners should be allowed to expand the mountain to its fullest potential. The new expansion plan for Hunter ski resort is a great first step and is already bringing a sense of hope to the area. The aesthetics of the town need to be URGENTLY addressed!! Scriber's Lodge is a beacon of light. Nobody wants to live in a town that looks rundown and impoverished with vacant buildings. There should be interesting mountain architecture lining the streets as found in places such as Jackson Hole, Switzerland or eastern Europe. I hate to say it BUT look at our neighbor, Windham!	11/13/2017 10:34 PM
38	Provide parking on mountain road( sell Parking permits) by closing passing lane,put grates over converts and remove guard rails to provide more parking, provide safe path to destination . Provide garbage containers. It is important to welcome our visitors and we should provide basic needs for them. Our attraction should be managed like other towns manage there beaches.	11/13/2017 9:59 PM
39	It would be nice to see some thriving business on Main St. like 20 or 30 years ago.	11/13/2017 9:20 PM
40	I am concerned about the expansion of some large communities and the the preservation of our beautiful environment and ecological system. i would love to see development of the towns and increased tourism, sustainable bed and breakfasts type lodging. I am against exclusive communities that want to over build areas.	11/13/2017 9:05 PM
41	Residential roads need to be taken care of better. Cutting brush that sticks out into the road, paving, etc.	11/13/2017 9:00 PM
42	I can't think of anything right now. Thanks for asking for all of the input!	11/13/2017 7:33 PM
43	My belief is that the Town is responsible for infrastructure, policing, and ambulance services. The private sector is responsible for recreation, job creation and promotion.	11/12/2017 12:44 PM
44	Residential areas must be protected against encroachment of the greedy landowners who feel that earning money is more important than quality of life. People should know about the issues. Well water is an important issue.	11/12/2017 12:37 PM

## Hunter Comprehensive Plan

45	Think it would be good to have hotels/motels run overnight trips from NYC with a ski package. It would help people get into the area and then want to come back. New restaurants and bar would be great- lots of friends go to Windham on weekends because of the build up of the town there's. Love this town and want to see it more successful and have more people appreciate it and enjoy it Free music in Park In the summer would be good idea	11/12/2017 8:25 AM
46	wish that government would communicate more effectively via social media and other forms of outreach	11/11/2017 3:11 PM
47	Just because we were not "born here-natives" we chose to live here and we would like to be accepted. There is too much "stress" on us and them. We moved here because basically we like it here, we enjoy living here, like the many attractions and events, shows at the ski-slope, the libraries, the clean main streets. Keep on making improvements, it pays off. I like the opportunity to express my opinions - such as this survey.	11/11/2017 10:06 AM
48	Better communication online about special events for people who come to the area frequently don't live here full time	11/10/2017 7:10 PM
49	Community elements can be diverse but supportive and contributing, not separate and non-contributing.	11/10/2017 6:06 PM
50	Other parts of the Catskills are known for fishing, which was once a popular feature the area between Tannersville and Prattsville. Why is that no longer the case? This would be good for food, lodging and a few shops. And attract some real estate action. Not a magic bullet or the solution to larger problems but at least a benign step in the right direction.	11/9/2017 2:34 PM
51	I am very concerned about the lack of a hospital or medical center.	11/8/2017 7:54 PM
52	Town of Hunter needs facelift Depressed Needs infusion Heart & Soul Passionate tending	11/6/2017 7:40 PM
53	No high density housing Repurpose or knock down vacant buildings that have not been used in years.	11/6/2017 3:17 PM
54	I think a gondola from the lodge to the town would be very useful once the town is built up and improved.	11/6/2017 1:50 PM
55	My concern is that this will take years, and will move too slow. The new business owners or new restaurants will find it hard to stay in business if there are no people staying in town for other reasons. It needs to happen quickly and be marketed appropriately to draw people to the town generate income and continue to make improvements.	11/6/2017 11:12 AM
56	Two main thoughts for the area... 1. Hunter Mountain is and has been one of the biggest attractions to the local area. During earlier times the Village of Hunter was more of a draw than it is today. Some would argue that it is better today, but in general there were more people spending money in the town during the 80's and 90's. There is a tremendous opportunity to develop the Village of Hunter into a more vibrant town. If we work with the new Hunter Mountain owners to connect the town better with the mountain, such that people can easily get from the town to the slopes and back, then the economic value of the Village of hunter will grow tremendously. This will in turn make the area more attractive to tourists. Increase property value in the village and create business opportunities for restaurants and retail. My suggestion would be to build a gondola and trails connecting the town, trails and base area. 2. The above will bring in business and people which will drive economic development. We would then need to develop a comprehensive plan for how we will allow development to take place within the town. A plan that protects our natural resources and character while allowing for the increased business that will come from a more attractive area.	11/6/2017 7:15 AM
57	Attraction of more people in the seasons other than the ski season and July and August Nice cafe style coffee shop.	11/5/2017 8:47 PM
58	Consolidation of services would hopefully help to offset the cost on taxpayers and make it easier for new businesses to be developed. Also, we need to consider the impact tax-free organizations are having on the town's budget and resources.	11/5/2017 7:48 PM
59	Asking these questions and moving on the opinions of the people who live and visit here is a good first step. Let's keep moving forward and get results.	11/4/2017 9:01 PM
60	I truly believe a push needs to be made to attract different types of businesses that are not dependent on tourism .	11/4/2017 3:54 PM

## Hunter Comprehensive Plan

61	My main issues are lack of internet- therefore not able to communicate - and bring business here. Lack of transportation unless you are on MEDICAID- if you are middle class there are no " perks" - Lack of medical care - population is just getting older and due to lack of jobs - no way to attract younger people to stay- therefore lack of students for our current schools. While we are tourist oriented these jobs are low paying and often seasonal. So many empty buildings are depressing- however there are not enough locals to keep them in business and while we have lovely B & B's they do not attract that many people year round to keep things flowing- ie: movies are only available on a weekly basis in the summer- stay healthy or you have many problems li	11/4/2017 10:08 AM
62	Before we can make too many changes and add more business, we need to fix the infrastructure of the town. The roads are in rough shape. Bridges need to be addressed and we also need sidewalks to keep people out of traffic. So many of our roads are in disrepair right now. There are water and sewer issues to be addressed too. The town needs to take care of it's own people before taking care of visitors. There is nothing here to keep people here. There are no real job opportunities and what jobs there are, are low wage, part time with no benefits. People need insurance and enough money to live on.	11/4/2017 8:22 AM
63	Increased communication for 2nd home owners as they are a huge supporter and advocate for the protection of their environments integrity that they and their families have invested in some over numerous generations! Town could possibly promote itself to a School of Architecture and/or Landscape architectural program to take process on as a case study....or NYU Film documentary study program recording the change of a town/ building a future... the area has been home and visited by so many people; arts/health/ environmental appreciation++ and one thing is that we know it is not going to be the same as it is today. There is a new story in the making of a mountaintop town and recording it is also very valuable to our future. Recognizing our potential TODAY for the future so that we will continue to look forward with a broad foundation for a rich and fulfilling experience within the community and for visitors to experience too. Thank you to all involved in the Comprehensive Plan team and for your interest and support for the future of the Town of Hunter. Truly appreciate your work.	11/3/2017 10:03 PM
64	Above all, development should be concentrated in the village/hamlet areas as much as practical. Outlying areas should be kept rural, quiet with adequate provisions to keep on road parking around trail heads to a minimum. Kaaterskill Falls, Kaaterskill Clove, Platte Clove and the major trail heads are out of control on weekends. More tourist oriented attractions needed besides the ski area or the ski area should expand to include year round attractions like a mountain coaster or other comparable activities. Look at other "ski towns" in surrounding areas and states to see what makes them desirable to visit. What business mix do they have, appearance, "quaintness", etc. Fresh and sometimes loud paint combinations brought a lot of people here to see the Painted Town, keep it up. Town could add skating and tobogganing/sledding areas for winter, swimming/picnic sites, etc.	11/3/2017 9:32 PM
65	we must keep talking and communicating on all levels to create an informed public and a good relationship with our governing agencies....transparency and dialog	11/3/2017 7:34 AM
66	Scenery is the most precious asset the Town has. We should protect it, enhance it, and welcome visitors who treat it with respect. We should use it carefully for recreational purposes. We should site business in garden settings and consolidate parking to indicate the pre-eminence of nature in the Town. Industrial businesses should be located in designated areas, away from Town, tourism, and recreation. A community college would be a good addition.	11/1/2017 3:08 PM
67	I know many of the people of Hunter. For too long Hunter has been run by people with a narrow view of Hunter's potential. Most have been small businessmen who were happy as long as their businesses thrived. Now those people are retired or dead. They weren't bad people, just selfish and self-interested. Others ran for office so they could feed off of government sinecures. The net effect is that while other towns reinvented themselves, Hunter went to sleep and decayed. I do not know if there are people in Hunter with the energy, smarts and mental toughness to pull it toward modernity. Once I had hope that the Arts community would hold sway, but they lost their energy and just went along to get along. The Ski Mountain had a chance but they were too narrow in their view and too self-interested. It is a hard row on the Mountain Top. I don't see any White Knights at this time.	10/31/2017 8:59 PM
68	I pay hunter taxes and get nothing for them We need cable on Naty Bumpos path Not getting anywhere in 15 years	10/31/2017 8:07 PM
69	I believe we have too many employees in the town building.	10/31/2017 7:57 PM
70	I think there should be violations for not following the laws- they should be written down and enforced ~!	10/31/2017 2:35 PM

## Hunter Comprehensive Plan

71	I am available for discussion. Please call a weekend meeting at some point with young residents and visitors. We have ideas, opinions and many talents. Together we can make Hunter a great town!!! 3477240035	10/31/2017 12:09 PM
72	This was the first year that I can remember, that there were no summer festivals like the German Alps, or Celtic at the mountain. These festivals bring in people into the township and promotes local business growth. The township should support the mountain with incentives in order to bring these festivals back. The old buildings in the town of hunter need to be torn down as they look abandoned, depressed and an eye sore. New building need to be put up. Especially at the base of the mountain on the main road which has the most traffic. Come down the mountain, go over the bridge make a left and on the left side are a row of abandoned buildings which been there for decades. Why? I don't see this in Windham. This is a great spot for local businesses to set up their shops. The town should buy these buildings, knock them down and rebuild- add a few restaurants, they could park across the street on the parking lot of McGregors, and McGregors needs to be updated for crying out loud. This location should not look like a dive bar at such a great location and they see a ton of foot traffic. It should be upgraded. More support for the local business which are struggling should be in place. The bagel place in that same parking lot has great food and if they don't see enough traffic, then they will fold like the prior owners did, and half of the other businesses in the township have.	10/31/2017 8:16 AM
73	I would like to see more improvements to the lake.	10/30/2017 9:40 PM
74	Thanks for doing this!!!	10/30/2017 8:48 PM
75	I love where I live and with the recent influx of tourism and a new generation of residents becoming more involved in the community, we have an opportunity to work together and make the Town of Hunter an inviting area to visit as well as a wonderful place to raise a family.	10/30/2017 6:26 PM
76	I believe the town is headed in the right direction. But I also think that sometimes we need a little push to get things done. Make that a shove.	10/30/2017 5:32 PM
77	Why are school taxes so high!	10/30/2017 4:24 PM
78	Until the board changes, nothing is going to be able to move forward. The Town does nothing to support the community and are only worried about hurting the tourists if they tow their cars that are illegally parked on the mountain road. The planning board Chair - Sarah is great! She conducts herself and the planning board very well. Mr. Hyer would be proud. Supervisor Legg won't even clean up his own property in Tannersville - what makes you think he would care about anyone else's dilapidated properties?	10/30/2017 3:54 PM
79	We need to protect the natural beauty in Hunter and enforce the building and safety codes for the properties that are being used as 'summer camps'.	10/30/2017 3:12 PM
80	Thank you! Good luck!	10/30/2017 2:48 PM
81	Town of Hunter is a terrific place, and it could be even better. Needs more focus on nurturing local businesses that already create jobs, and get more creative about attracting new business opportunities. The town must address access to cable/internet, better access to NYC transportation and regain local control over state/NYC imposed regulations. Provide for more engagement by the local government with part time residents, that could eventually include investment opportunities. I applaud you for caring about opinions and conducting this survey.	10/29/2017 7:07 PM
82	It is time to clean up abandoned homes and businesses on main street that is hurting tourism as it is the first things visitors see as they come to the mountain.	10/29/2017 3:47 PM
83	Let's work together, incent, keep our young people happy and grow. Be green, healthy, happy and grow	10/29/2017 2:54 PM
84	we want to keep our small town atmosphere but provide enough draw to all age levels ..... we need young families utilizing our wonderful school system which means we need job opportunities to draw them in.....and we want to keep our aging population by providing the health and care facilities that will allow them to safely remain here in their home community	10/29/2017 12:55 PM
85	Local gov't. should be responsive to concerns of longtime residents and respond to issues caused by town/village crews instead of just saying it will be looked into, then completely ignored. Also the very high charge for water even if is not used seems to reek of usury.	10/29/2017 11:48 AM
86	Town needs to be very careful about allowing religious non profits that don't pay taxes and are there buy stealing from the town and its tax paying citizens....town needs to protect current residents from this threat to their property....this can be done via zoning, enforcement and not approving building permits.	10/27/2017 1:00 PM

## Hunter Comprehensive Plan

87	I absolutely love the mountaintop. In my opinion, it is one of the most beautiful areas anywhere to be found east of Chicago. There is no other way to state it, but that being among these beautiful mountains is "good for the soul". I think the foundations that have invested heavily in the area (Hunter Foundation, Catskill foundation, 23Arts Initiative) have done a wonderful job revitalizing the area - from painting buildings in an interesting manner on the main street, to bringing in arts, concerts, dance, etc. And because of the internet and closeness to the NY metro area, I see that tourism is increasing in leaps and bounds. Great! Need to capitalize on that. However, it concerns me tremendously that school enrollment is dropping, and that people who want to live there (especially younger people) can't figure out a way to make a living somehow up on the mountaintop. And basically everyone that I have met (both full time residents and part-time residents) are concerned that the Tannersville, Elka Park, and Platte Clove area could possibly turn into a year round Kiryas Joel. This, in my opinion, would be devastating to Hunter's economy, the currently excellent school system, the restaurants, etc. My understanding is that there are already certain streets and areas that are uncomfortable to walk through or drive through for non-ultra-orthodox Jews. Are long-term residents being pushed out in certain areas? Will tourists come to an area if they feel they are an unwelcome minority? What I have always, always liked is the diversity of the mountaintop - that all views, religions, languages, and political groups are welcome. That all groups can co-exist. It would be great if this tradition continues - that all are welcome. And that there is a balance of different views.	10/27/2017 10:58 AM
88	Encourage the Hunter Foundation to spend more funds for the Village of Hunter. School taxes are too high for such a small school population. Encourage local businesses to invest in the area. Greater support for seniors.	10/25/2017 5:40 PM
89	This is an excellent survey - very comprehensive and definitely timed perfectly.	10/25/2017 11:00 AM
90	Since the heydays of the 70s-80s-and 90s, Hunter has contracted. We have lost tourism to other venues in Vermont, the Western ski areas, and other venues. What do they have that we do not? Expanded ski terrain, ski villages for apres' ski activities and shopping, off slope activities, and often a wide array of summer activities from concerts to events and festivals every weekend. Still, with summer activities, you also need off-site offerings including children's activities, organized tours of historic sites, hikes, fishing, kayak adventures, and others including zip lining. And, to get them to these sites and locations, efficient low or no cost public transport is a key. And, lastly, none of this will work at all unless out-of-area visitors are aware of the expanded offerings available. Internet, brochures, bulletins, and other marketing options should be pursued with gusto and we ready the Town for the arrival of more and more visitors to visit our new restaurants and pubs, and avail themselves of the beauty and recreational options that Hunter has to offer.	10/24/2017 4:24 PM
91	I feel we as a town fail our younger people. How does the Town of Hunter not even have a little league field? Tannersville Lake's basketball court is not enough for our young people. They are our future residents and tax payers and yet we do nothing to make them want to stay and call Hunter home?? Travel around other small towns in Greene and Delaware Counties. They offer much more than the Town of Hunter offers for their young people.	10/24/2017 11:59 AM
92	State police over the last 25 years have ruined the renal business and drove away young people and entertainment that once made this town. A go to winter town.	10/24/2017 8:22 AM
93	i wish i had a clearer idea of where the town boundaries are. This survey might have explained that by including a map or including a list of villages and hamlets. I have a much clearer idea of where the county boundaries are than the town boundaries. Google is no help. And while the town website is very good, it' does not address this issue. As i said in the survey, the town is a little amorphous. That said, the community participation and activism seems quite good.	10/23/2017 11:15 PM
94	very little community spirit is evident except for what the mountain promotes...and that has decreased substantially since they took over	10/23/2017 10:17 PM
95	Getting a 4 season appeal to the area & attracting new internet/telephone based businesses would create jobs for locals and benefit everyone.	10/23/2017 9:12 PM
96	The mountaintop has the best air quality, with land and water protected by the NYC watershed rules, with the most beautiful geography and rich history. Let's build a viable economic community with arts, leisure, sports, educational and intellectual activities, with various kinds of job opportunities and businesses for all.	10/23/2017 6:29 PM

## Hunter Comprehensive Plan

97	Over the years the town has deteriorated significantly. Sad to see to many shops and restaurants appear and quickly close down. Recently feel like we're driving through a shanty town. We would love to come up to our ski-house at Hunter Mountain and spend our time visiting other than the winter ski season, but we feel like there is not much the town has to offer. Clean up the abandon buildings and houses. Make it attractive for business/artists to come to town. Build parks. Do something. People young and old today are looking to spend their money on "experiences" not "things". Hunter can be so much to so many ... figure it out!!	10/23/2017 5:47 PM
98	Keep up the good work and initiative	10/23/2017 5:38 PM
99	The Town of Hunter is a beautiful place. I hope that we can all work together to make it remain a peaceful place to live. I would love to see it flourish and strengthen. The addition of the Theatre on Main Street in Tannershille just adds to the charm of the village. It would be wonderful to encourage more small business owners to set up shop in both Tannersville and Hunter. We are long time supporters of small business and have always spent time in stores and restaurants up and down 23a.	10/23/2017 3:53 PM
100	Not enough car service/Uber options. Try to draw in some chain type stores like a starbucks.	10/23/2017 3:48 PM
101	Taxes/water payments should have an internet inquiry/payment capability.	10/23/2017 3:13 PM
102	I would like to see more activities not related to skiing during the winter, such as more movies during the day, and a work out center.	10/23/2017 3:12 PM
103	There are many who do not ski or who have been injured. The movie theater should have day time showings. Other day time gym, workout fasciitis or a rehab center. How about a step up retirement village for the aging. This is an opportunity of an audience who is desperate for a community! Rock on! Good luck.	10/23/2017 3:11 PM
104	Crafting a reputation for being forward looking on the environment, growing local produce and supporting athletic, active and healthy lifestyles is a natural fit for Hunter--what if Hunter started setting the bar for what small towns can do to promote renewable energy and encourage healthy living? Protect and encourage the bicyclists and their clubs! Protect the Catskills and encourage the hikers and the international hiking tourism. Supplement local growers and food makers. Become a beacon for yoga and recycling. Greenbelts with safe running and cycling trails! Renewable power projects and fostering arts with residential programs for NYC artists to come up to the Mountaintop! If we can do that, the businesses will be drawn to the active set who find themselves drawn to Hunter.	10/23/2017 2:59 PM
105	Hunter should endeavor to emulate attractive Berkshire towns such as Egremont.	10/23/2017 2:42 PM
106	Need ro buold a real town to attract busimwss and tourism. Town should be located on land bwfore mtn so it can have side streets amd parking. This would allow guests to walk area to restaurants and recreational acrivitiws	10/23/2017 2:41 PM
107	Town is pretty terrific. Love living here.Want the towns to grow	10/23/2017 2:12 PM
108	Reach out to the part time residents for feedback, other than this survey. Acknowledge and address their particular needs. Currently there is an undercurrent of frustration and anger. There is an overall feeling of disconnection and a sense of being neglected by the TOH's elected officials. Encourage unity in the community's shared needs and concerns. Do not pit one sector against the other. We are all here because we share a love for the natural beauty and clean environment.	10/23/2017 2:11 PM
109	We have come a long way in 20 years and we need to have a vision for a better future for the town of Hunter.	10/23/2017 1:55 PM
110	I own a condo and property and looking to build our retirement home to live there permantly but been hesitant since theres nothing left in Hunter and its depressing and deciding to sell property and condo and purchase elsewhere wehere theres activites	10/23/2017 1:31 PM
111	Please get the state troopers off our backs so we can support these businesses and keep them afloat. The direction appears to be that everyone is drunk and to get everyone out of the car and try to arrest them for something. I am 55 years old, this is ridiculous, as a result I need to walk to the Kaaterskill Club/hotel - too afrais to drive on the main street to support a local restaurant.	10/23/2017 12:01 PM

## Hunter Comprehensive Plan

112	As a family we love the town of Hunter, why? although it is not our full time residence we are there during all seasons. We know the area and we venture out to see the area. That means we drive through the town and we know hat is there. However for those visiting the town of Hunter most only know of the Hunter mountain ski area. When they drive in they stop at locations prior to the mountain entrance, when they leave they stop at the locations to the right and never passing through the town itself. To accomplish this you must cause a reason for visitors to pass the main entrance. The only winner during Hunter mountain visits is Tannersville where all the traffic stops. If a new entrance to Hunter mountain is in the future and businesses open parking may be an issue. Knock down the abandoned buildings and make parking lots.	10/23/2017 11:31 AM
113	Legitimate Business needs to be supported in defined Zoned Areas. Residential Communities need to remain residential use only (Not Air B&B) and zoning enforced to protect the families that live there from short term use which is destroying them. Families have no where to live because of short term use of residential homes thus reducing full time families living here and creating a shortage of students in our schools.	10/23/2017 11:22 AM
114	We need to think "disruptive" measures, and not anymore "adjustments" otherwise it will take 10/20 years to take a turn. there are also many hourly services jobs with remote connections, that could be done by local people to increase income. does the state of NY have "consulting" structures on how to promote small town ?	10/23/2017 11:15 AM
115	Thank you for soliciting the Park's involvement. I think "Parkies" are well intended and many want to help.They just don't know how and so they don't get up and do anything. Invitations would help motivate and forge deeper relationships where we all win.	10/23/2017 11:06 AM
116	If it was not for the Hunter foundation Tannersville would be a disaster zone. and it still is pretty sad on the end. There is no parking in the Village of Hunter, so noone would ever restore those buildings. This was a huge fails to let that happen with the sewer/water work!!	10/23/2017 10:40 AM
117	I would like to see a Hunter to Lexington trail and/or Hunter to Tannersville/Haines Falls trail for walking and biking. Also a more stringent recycling program.	10/23/2017 10:25 AM
118	People dumping trash in the woods; Keep taxes low; Need family activities; How about a Water Park; Allow condos to be built on North side of Rt 23A. STOP viewing Hunter MTN as a day trip location, but as a destination place. Town looks old and run down, not a lot of activity going on which should change. Why do I have to go to Windham for dinner? Hunter needs casual dinner places (Ex. Chicken Run is a great place in the summer (Food, music, stuff for adults and kids)-also good for the winter as a restaurant). When Hunter Main street was paved/sidewalks approx. 10 years ago - Parking was eliminated which hurts businesses. Need year round employment for people for the community the thrive. Get rid of some the old crummy buildings on Rt23A.	10/23/2017 9:30 AM
119	Satisfied with all	10/22/2017 8:55 PM
120	Eliminate the Chamber of Commerce. This area is soon going to be uncontrollably overpopulated.	10/22/2017 10:44 AM
121	We own on Pine Lane. Someone forwarded the survey to us and many we spoke to were unaware. So you don't have enough information on homeowners to reach out and gather opinions. Happy to see the survey in place and looking forward to town improvements	10/22/2017 9:23 AM
122	All the good restaurants seem to be on Hunter Mountain and only function during the winter months for the skiers. Those of us who have homes in the Hunter area and do not ski don't benefit from those places. Make Hunter a town of its own, not an appendage of Hunter Mountain. Open up a deli, a small grocery store (ie Trader Joe's), a few nice restaurants, even go to a chain restaurant if this brings in new business.	10/22/2017 8:33 AM
123	Lack of environmental education and protections	10/20/2017 6:01 PM
124	It has been suggested by visitors that the Town should start a Go Fund me Page and address the Zombie and Vacant Properties.	10/20/2017 4:27 PM

## Hunter Comprehensive Plan

125	the hap hazard way the town is run, the lack of imagination, the personal vendettas by certain people, we need to growth instead of dying, the police have effectively killed our growth, there is no need for 6 police agencies and tyeh amount of harassment from the police, the new mayor is devoid of personality and when i contacted him he couldn't care less about my issues and never contacted me at all, I love Hunter, if you go in the ski area when its open we lost all the 22-55 age groups as there is nothing for them to do, its you n g kids or retirement age, no growth, you can contact me at anytime for my ideas and I know I could turn turn entire area around in two years but it involves the ski area and they need to want to listen , which they never have,I personally like most of the people running the place but as far as listening they know everything and in reality have no clue what paying people want.Anyone reading this knows who I am and what I am all about	10/20/2017 4:12 PM
126	Community services such as fire and government boards should be merged to save duplication and costs. Too many big egos and not enough common sense.	10/20/2017 2:56 PM
127	This survey is way too repetitive, and involves far more time than 10- minutes to complets.	10/20/2017 1:54 PM
128	We are 2 hours from the largest city in the world, we have the most scenic vistas, best roads, and amazing wilderness, it is time to re invent the area and rid the area of its stigma. Possibly even change the name, people have a perception of this area and associate with the past. In 2018 it is time to grow and change for the better for future generations and create an environment where people want to spend time and money. The whole mountain top needs a facelift, there has been progress but not nearly as much as needed, the future looks stagnant and dated as does the area. We have been lead by close minded individuals who never see the possibility at hand, 2 hours from the biggest and richest city in the world, they want first class , charming and character, our wilderness has that, as nature has succeeded, by our towns, villages , are at best mediocre, it is sad. But those who have managed this area for years did with a non inviting, non customer service based identity. They never welcomed outsiders, and the police are brutal, tourists know to avoid these towns due to over aggressive policing. We need new leaders with foresight and ambition and motivation to cohesively combine the resort, attractions and villages. It is not difficult, we are not re inventing the wheel, we can mimick what others have done. Lake Tahoe, Taos, Park City, we need to re invent ourselves and change the perception of the area that new generations will come here and spend money. We need people to spend in order to create new businesses and services. It takes leadership with clear minded individuals who are not afraid to move forward and accept change. Change for the better. Stagnation has hurt this area for years. Now that visitor numbers are up possibly we will see the leadership in place take some action.	10/20/2017 11:44 AM
129	thanks for caring!	10/20/2017 11:23 AM
130	See my previous answers	10/20/2017 10:45 AM
131	The town is a jewel but it is not getting its fair share of the market experienced by many similar small towns in the northeast. We need to do a better job with respect to promoting the town as a place where nature is still unspoiled and it can bring joy to a multitude of outdoors lovers.	10/19/2017 4:56 PM
132	Main concern is as stated is the threat to my property values from the Hasidic for profit development groups and their fraudulent insular high density development practices....This will kill the town and drive out long term tax payers like me....I and I am sure many other people are closely watching the elected officials to see how they are dealing with this issue to determine if I will continue to invest in the town or abandon it.	10/19/2017 3:58 PM
133	Dissolve the 2 villages, there is no need for either of them anymore. I can't stress that enough. Get zoning, before we get another dollar store and a Machne Tashbar. Tear down the old Hotel Elka View currently the defunct Black Diamonds.	10/18/2017 11:20 PM
134	Reel in the cops, and maybe tourists will return. Follow what Windham has done. That town is booming, can't even compare it to Hunter, and we have a better ski area, but it ends there.	10/18/2017 8:02 PM
135	Hunter is a place I have lived as a part time resident for over 30 years. I'd love to see it grow as a vibrant community that still maintains its rural characteristics	10/18/2017 12:59 PM
136	The Town of Hunter has been stagnate for many, many years. The town needs to hire a promoter and join the new century...Our elected officials have not done the job they were elected to do, except do what they want. There is sooo much out there, and new business's being offered and the Town can't afford to watch the grass grow anymore. We are losing our kids who leave after highschool and never look back...and sometimes the parents following them. There are more empty homes here than anywhere... We cannot remain a 'closed society'.	10/16/2017 11:04 PM
137	Stop nick bove	10/16/2017 8:33 PM

## Hunter Comprehensive Plan

138	Thank you. Careful what we wish for!	10/16/2017 8:15 PM
139	A few control the masses. Again, business owners don't want to see any new business coming into the town.	10/16/2017 4:04 PM
140	Redundancy of town services (ie town, village, county, state, etc.). Police- reduce. More protourists. Less state troopers.	10/16/2017 1:33 PM
141	Overpriced educational costs	10/16/2017 1:14 PM
142	There are certain buildings that are beyond repair in the village of Tannersville and along 23A in the Town. There are buildings that I would imagine can 't be insured in the village of Hunter along the creek. All of the improvements in the world will not make a real difference if those buildings are not addressed. I worry about zoning for density in rural areas of the town, and building and fire safety enforcement. I also understand the logistical challenges of school district consolidation, but graduating 19 kids is not sustainable, and second homeowners who pay property and school taxes have a right to be annoyed by that. The incorporated Villages within the town should be dissolved tomorrow.	10/16/2017 1:05 PM
143	I'm not sure how much our current supervisor is using his political standing to seek personal vengeance against one of the top employers in our community. He lacks professionalism and is unable to look at his own properties as eye sores in our community. I firmly believe one should lead by example.	10/16/2017 12:54 PM
144	I support growth of the town. However in needs to be planned, coordinated, controlled and enforced properly.	10/16/2017 12:43 PM
145	Hasidic community, with development on south Main Street and platt clove	10/16/2017 11:49 AM
146	Blight and poverty are an issue. The way to solve it is to make it attractive for those who have very little to work here and generate a decent income (increased jobs and the quality of jobs). Once they have jobs and money we should also be providing means for them to improve their properties. (low interest loans or grants). Additionally we should be developing ways to streamline startup for businesses who want to locate here.	10/3/2017 10:44 AM
